SHAWNEE, Kan. -- The Shawnee Mission School District is considering closing five schools over the next two years and redrawing school boundaries.

Superintendent Gene Johnson outlined 11 proposals on Monday that he said was designed to even out attendance and save money.

The Kansas City Star reported Johnson said his plan would close Bonjour and Shawanoe elementary schools and Antioch and Mission Valley middle schools after this school year. Dorothy Moody Elementary School would close in 2012.

The school board is scheduled to vote on the proposed changes at its Nov. 8 meeting.

KCMSD Repurposing Initiative

The Kansas City, Missouri School District Repurposing Initiative is a year-long community engagement and planning process to develop community-driven reuse plans for the district's closed school buildings. This effort will be led by the Repurposing Initiative office that was established by the district in Jan 2011.
