All bids are to be written in by typewriter or ink in a legible manner on the official Bid Proposal Form. Any bid price showing any erasure or alteration must be initialed by the bidder in ink, at the right margin next to the altered entry. Failure to initial any erasure or alteration may be cause to disqualify that particular bid entry. If the disqualified entry is a required one, the entire bid may be subject to rejection, so please fill out all entries with care.

The Bid Proposal Form must be duly signed by the authorized representative of the company in the appropriate space, at the end of the Bid Proposal Form. Failure to sign the Bid Proposal Form may be cause to disqualify the entire bid. If the Bid Proposal Form contains more than one sheet, then bidders are requested to affix the company name and address on each intervening sheet between the front sheet and the signature sheet which already bear the company information.

The District will not consider any bid on which there is any alteration to, or departure from, the bid specifications. Bidders are not to make any changes on the Bid Proposal Form, or qualify their bid with conditions differing from those defined in the contract documents. If bidders do make changes on the Bid Proposal Form, except as noted above for initialed clerical mistakes, it shall be cause to disqualify that particular bid as non-responsive N.J.S.A. 18A:18A-2(y).

Bidders are to submit one bid price per item. The District will not accept multiple bids on an individual basis, nor will the District accept a “bottom line” or “all or none” bid subject to the bidder receiving the entire contract.

BIDDER COMMENT SHEET
This form is for bidder’s use in offering voluntary alternates, or other comments intended to afford the District information or opportunities to improve the quality of the project, without invalidating the bid proposal. It may not be used to take exception to specific conditions of the project defined in the contract documents which the bidder does not like. The bid provided must be based upon the plans and specifications, and all contract conditions, as stated. If these documents or conditions contain some untenable item, or extremely expensive provision, for example, to which the bidder wishes to raise objection, this must be done at the pre-bid meeting, or in writing to the Architect or Purchasing Agent through the question process outlined in the instructions to Bidders. Such inquiries will have response issued by addendum only, and the resulting decision circulated to all bidders of record.

It is understood and agreed upon that any person in the District will be absolved from responsibility for the premature opening of any bid not properly labeled and sealed.

3. If a sample is not required the District requests a brochure, pamphlet, or illustrative literature that outlines the specifications of the item including manufacturer’s name, model number, etc.
4. Failure to provide a sample item or literature about substitute bids when requested may cause for disqualification of that item from the bid.
5. It is the responsibility of the bidder to demonstrate equivalency of items offered.

6. In the event a bidder proposes a substitute, the bidder shall be obliged to pay for any testing and analysis necessary, in the sole and exclusive opinion of the District, to confirm that the proposed item is an appropriate substitute.

  “When a business entity referred in 4.1(e) is a natural person, contribution by that person’s spouse or child that resides therewith, shall be deemed to be a contribution by the business entity. When a business entity is other than a natural person, a contribution by any person or other business entity having an interest therein shall be deemed to be a contribution by the business entity.”

Chapter 271 Political Contribution Disclosure Form – Required -- N.J.A.C. 6A:23A-6.3 (a4)
All bidders shall submit with their bid package a completed and signed Chapter 271 Political Contribution Disclosure Form. The Chapter 271 form will be reviewed by the district to determine whether the vendor is in compliance with the aforementioned N.J.A.C. 6A:23A-6.3 (a2) Award of Contract.

POLITICAL CONTRIBUTION DISCLOSURE STATEMENT - PAY TO PLAY
A business entity as defined by law is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission pursuant to N.J.S.A. 19:44A-20.13 (P.L. 2005 Chapter 271 section 3) if the business entity receives contracts in excess of $50,000 from public entities in a calendar year. It is the business entity’s responsibility to determine if filing is necessary. Additional information on this
requirement is available from the New Jersey Election Law Enforcement commission at 1-888-313-3532 or at www.elec.nj.us.

**PRODUCT GUARANTEE: NO SUBSTITUTIONS**
The contractor shall guarantee that all goods and materials supplied shall be new, unused and meet the specifications as noted in this bid. The District will not accept substituted items that deviate from the items listed on the purchase order.

**QUALIFICATION OF BIDDERS - Contractor Questionnaire Certification Form**
The District may make such investigations as it seems necessary to determine the ability of the bidder to perform the terms of the contract. The bidder shall complete a Contractor Questionnaire Certification Form and return same with the bid and shall furnish all information to the District as the District may require to determine the contractor’s ability to perform the duties and obligations as outlined in these specifications.

**SAMPLES**
From time to time the Purchasing Agent may require the submission of samples either before or at the time of the bid, at no charge to the district, to ascertain whether or not a product will be suitable for the purpose for which it is intended. If it is specifically stated elsewhere in the bid documents that samples are required, full size samples must be submitted not later than the official BID OPENING. Failure to submit said samples may be regarded as a basis for rejecting the bid. Samples may be impounded until satisfactory completion of the contract. Otherwise, all samples must be picked up by the bidder within thirty (30) days of the award of contracts or said samples will be presumed abandoned and the Purchasing Agent will dispose of them as he sees fit.

**STATEMENT OF OWNERSHIP (N.J.S.A. 52:25-24.2)**
No business organization, regardless of form of ownership, shall be awarded any contract for the performance of any work or the furnishing of any goods and services, unless, prior to the receipt of the bid or accompanying the bid of said business organization, bidders shall submit a statement setting forth the names and addresses of all persons and entities that own ten percent or more of its stock or interest of any type at all levels of ownership.

The included Statement of Ownership shall be completed and attached to the bid proposal. This requirement applies to all forms of business organizations, including, but not limited to, corporations and partnerships, publicly-owned corporations, limited partnerships, limited liability corporations, limited liability partnerships, sole proprietorship, and Subchapter S corporations. Failure to submit a disclosure document shall result in rejection of the bid as it cannot be remedied after bids have been opened.

Not-for-profit entities should fill in their name, check the not-for-profit box, and certify the form. No other information is required.

**SUBCONTRACTING: ASSIGNMENT OF CONTRACT**
Contractors, services providers, and all vendors with whom the District has an executed contract may not subcontract any part of any work done or assign any part of contract for goods or materials for the District without first receiving written permission from the Purchasing Agent.

Contractors, services providers and vendors using subcontractors assume all responsibility for work performed by subcontractors. The Board Business Office may require the following documents to be secured from all approved subcontractors:

- Insurance Certificate as outlined in the bid specifications;
- Affirmative Action Evidence as outlined in the bid specifications;
- Written certification that the subcontractor shall adhere to prevailing wages as provided through New Jersey State Law.

In cases of subcontracting, the District shall only pay the prime contractor. It is the sole responsibility of the prime contractor to ensure that all subcontractors are paid. The District shall not be responsible for payments to subcontractors and shall be held harmless against any or all claims generated against prime contractors for nonpayment to subcontractors. Transportation carriers hired by the vendor to deliver goods and materials are not considered to be subcontractors.
TAXES
As a New Jersey governmental entity, the District is exempt from the requirements under New Jersey state sales and use tax (N.J.S. 54:32B-1 et. seq.), and does not pay any sales or use taxes. Bidders should note that they are expected to comply with the provisions of said statute and the rules and regulations promulgated thereunder to qualify them for examinations and reference to any and all labor, services, materials and supplies furnished to the District. Contractors may not use the Board’s tax exempt status to purchase supplies, materials, service or equipment.

TERMINATION OF CONTRACT
If the District determines that the contractor has failed to comply with the terms and conditions of the bid and/or proposal upon which the issuance of the contract is based or that the contractor has failed to perform said service, duties and/or responsibilities in a timely, proper, professional and/or efficient manner, then the District shall have the authority to terminate the contract upon written notice setting forth the reason for termination and effective date of termination.

Termination by the District of the contract does not absolve the contractor from potential liability for damages caused by the District by the contractor’s breach of this agreement. The District may withhold payment due the contractor and apply same towards damages once established. The District will act diligently in accordance with governing statutes to mitigate damages. Damages may include the additional cost of procuring said services or goods from other sources.

The contractor further agrees to indemnify and hold the District harmless from any liability to subcontractors or suppliers concerning work performed or goods provided arising out of the lawful termination of this agreement.

The contract may be terminated by the board for convenience without any liability or penalty to the board except that the contractor shall be paid for services that are rendered prior to the date of termination, excluding loss of profits, loss of business advantage, compensatory or consequential damages.

TRAVEL & EXPENSES
All reimbursements for travel expenses by vendors and District employees must comply with N.J.A.C. 6A:23A. Non-compliant expenses may not be reimbursed by the District.

WITHDRAWAL OF BIDS
Before The Bid Opening
The Purchasing Agent may consider a written request from a bidder to withdraw a bid if the written request is received by the Purchasing Agent before the advertised time of the bid opening. Any bidder who has been granted permission by the Purchasing Agent to have his/her bid withdrawn cannot re-submit a bid for the same advertised bid project. That bidder shall also be disqualified from future bidding on the same project if the project is re-bid.

After The Bid Opening
The District may consider a written request from a bidder to withdraw a bid, if the written request is received by the Purchasing Agent within five (5) business days after the bid opening. A request to withdraw a bid after the specified number of days will not be honored.

The contractor/vendor who wishes to withdraw a bid must provide a certification supported by written factual evidence that an error or omission was made by the contractor and that the error or omission was a substantial computational error or an unintentional omission or both.

The request to withdraw a bid after the bid opening may be reviewed by the Purchasing Agent, the Director of Facilities, other interested administrators, and the Architect of Record for the project (if necessary) and/or the Board Attorney and a recommendation will be made to the Board of Education. If the Board of Education grants permission to have the bid withdrawn the contractor/vendor shall be disqualified from bidding on the same project if the project is re-bid. If the contractor/vendor fails to meet the burden of proof to have the bid withdrawn the request to withdraw the bid will be denied and if the contractor/vendor fails to execute the contract the bid guarantee will be forfeited and become property of the Board of Education.
