RE: RFP No. 16-15 Managed Print Services Analysis

REQUEST FOR INFORMATION RESPONSES:

Question: When we originally talked, you had stated that the board required that companies who performed the print assessment could NOT bid on the MFDs. However, in reading the RFP released, it looks like the District is seeking both and the 2 services can be from the same vendor?

Response: The District will not be obtaining copiers or multi-function devices via this RFP. The District will issue a separate Invitation to Bid to obtain equipment, maintenance, and leasing services. The company that is awarded this RFP will also be allowed to participate in the bid for equipment.
