**ADDENDUM THREE**

**ADDENDUM DATE: February 26, 2016**

**RE: RFP No. 16-31 Workers Compensation**

**REQUEST FOR INFORMATION RESPONSES:**

**Question 1:** I do not understand part b of the question below. Can you advise what you are looking for please?

Thank you very much.

5. Relevant Experience - Please provide a list of up to ten of the most recent clients of similar scope and size including:

a. Client Name (District Name) In "a" we are looking for your experience with other clients of similar size.

b. A description of recent (within the last three years) workers compensation experiences, particularly among governmental and educational clients. In "b" we are looking for your experience with other public entity clients.

**Question 2:** Who is the District's contracted preferred provider clinic. Physician's Immediate Care is the preferred clinic but the injured employee can go to their own physician if they want to.

**Question 3:** Would you be able to provide further data with breakdown by last 5 years of Record Only, Medical Only and Indemnity claims. We also did not receive any data for 2010, 2012 or 2014 on the spreadsheet you provided. The second tab on the spreadsheet that was posted with addendum one appears to have the information requested. If they look in column H it provides the date of the claims and column J indicates whether it is medical only, lost time, or incident only.
