ADDENDUM TWO

DATE: September 4, 2015

RE: IFB No. 16-11 General Grounds and Lawn Mowing Services

Question 1:

I know it states that we need a performance bond for the bid. My question is do you have any wording for the performance bond like what types of bonds you are willing to accept. As of right now there is nothing in the bid documents out lining the bond.

Response 1:

Performance Bond

The successful Offeror shall, at the time of entering into a contract, furnish a performance bond in the amount equal to one-year contract cost. This will be done annually. This bond is security for the faithful performance of the contract and for the payment of all persons performing labor and furnishing materials and equipment in connection therewith. This bond shall be provided by a company currently authorized to transact business in the State of Illinois. No offshore bonding companies will be accepted.
