RE: IFB No. 16-12 Boiler and Chiller Repair

Pre-Bid Meeting minutes

Meeting started at 1030.

- Participants signed in and the Opening Statement was read

Questions asked with responses

Question 1: The representative from Rockford Steam Boiler Works asked for clarification on 'new installation'.

Response 1: The 'new installation' referenced in the bid documents is a rarity and is not a primary component of this contract as the prohibitive cost of installing a new boiler requires a separate bid; it is specified simply to ensure The District is able to receive the most comprehensive service for the best price.

-No more questions were asked.

-Meeting ended at approximately 1045.
