PRE-BID CONFERENCE – 16-20 SPECIAL NEEDS TRANSPORTATION
Rockford Public Schools, 501. S. 7TH Street, Rockford, IL
November 23, 2015
12:00 p.m.

Present: Gregg Wilson, Transportation Director, Rockford Public Schools
Robert Hach, Sunrise Transportation
Chris Ross, EMT
Shaun Willis, Septran
Jason McIntosh, Septran
Sue Berogan, Septran
Rick Klaus, National Express (Septran)
Fred Smith, First Student
Ladel Cass, First Student
John Benish, Jr., Cook-Illinois Corp. (American School Bus)

Gregg Wilson read the pre-bid conference opening statement. He told attendees that the District anticipates making changes in some school locations, e.g. Montessori will move and Washington Academy (grades 1-5) will move to the current Montessori location. School start times will be reviewed but pre-school start times will remain the same. Those times are given in the bid documents. The number of students in the pre-school program varies throughout the year. In October, 560 early childhood students received transportation; now the number is 860. The increase in ridership is due to a decrease in gas prices which allowed the District to offer transportation services to more students. The current District provider does dry runs of routes and notifies parents of the name of their child's bus driver. Transportation for special needs transportation is bid by the student.

Question 1:

Bid documents give 2 differing percentages for the performance bond. At one location, the document states 5%, at another location it reads 10%.

Answer:

The performance bond is listed in the document in 2 places as 50%. The security bid bond was corrected in Addendum #1 as 10% of the base bid.

Question 2:

Does the District have a preference of the vehicle used or of the color?

Answer:

The District has no preference; however we have used Suburbans because smaller vehicles give a "personal touch". Non-school bus can only be built to transport 10 passengers, including the driver. There is no color preference.

Question 3:

Is there a split rate based on the distance for transportation of homeless students?

Answer:

Costs for homeless students within the District are the same as those for other students.

Question 4:

Would you clarify mileage based upon the type of vehicle used? Information given in the bid document states 8 (6.7) miles per gallon.

Answer:

The District will provide mileage based upon vehicle type. (Document attached)

Question 5:

The bid documents state "minimum staff" is required. Please clarify.

Answer:

There is no set minimum. However, we want to ensure that staff is available to answer phones during the hours of 5:30 a.m. to 5:30 p.m. during the time that regular routes are running. Currently, some routes run until 8:30 p.m. but staff can be reached by phone or radio in an emergency. We also require someone on the road to monitor drivers/vehicles when routes are running.

Question 6:

Do aides ride on all vehicles? Are they contract employees or District employees?

Answer:

We have aides if the vehicle carries more than 10 passengers or if the student's IEP requires an aide. Some IEP's require a nurse. We currently have 2 aides who are contracted, the others are District employees. If the IEP requires an aide, the District will provide an aide and would be charged for the seat.

Question 7:

Page 616 states "miles per route". Can you provide information on the "hours" per route?

Answer:

We will provide that information. UPDATE – the current contractor will not share hours as they feel it is proprietary.

Question 8:

Is the provider housed in a District building or in its own facility?

Answer:

The contractor provides its own facility.

Question 9:

How would you rate the service of the current provider?

Answer:

Wonderful

Question 10:

Does only one company have the current contract?

Answer:

Yes.

Question 11:

The document listing school drop times is not correct. Can you provide updated information?

Answer:

The times provided were for students riding regular school buses. We will provide the correct drop times for special needs students. (New drop times attached)

Question 12:

Can we provide an alternate bid along with the bid that meets these bid specifications?

Answer:

No.

Question 13:

Can you provide the addresses from/to which students are bused based upon the program e.g. Camelot?

Answer:

Yes, we will provide the addresses. (EC and Special Ed are attached with schools attending)

Question 14:

What method is used to do routing?

Answer:

Trapeze is used to do routing for regular students. Special needs and early childhood routing are done manually.

Question 15:

Does the District allow the transporting of students combined with routing of students from other districts who attend the same program?

Answer:

Yes, we currently do that.

Question 16:

Would you provide a breakdown of students riding to various locations? Does the number of vehicles include spares?

Answer: Yes. (See response to question 14) Spares - No.

Question 17:

Would you provide a copy of the current contract and the most recent invoices?

Answer:

Yes – the last 3 months of invoices are attached to this document. Current contract can be request by FOIA request.

Attendees requested and received a copy of the sign in sheet.

Another question was e-mailed in after the meeting.

Question:

Please provide the invoices and vehicle counts from: May, 2015; September, 2014; May, 2014; September, 2013.

Answer:

Spreadsheet is attached which identifies invoices and number of students by category. Vehicle counts are not available.
