ADDENDUM TWO

DATE: January 28, 2016

RE: IFB No. 16-26 New School Buses

Question 1: The WC buses spec does not state the size of the bus or seated capacity, just that it needs 3 WC positions. I'm assuming the 71 pass size is what you want.

Response 1: Rockford Public School District is seeking to purchase a total of twenty-seven (27) new school buses to include: twenty-four (24) new 71-passenger school buses, two (2) new 71-passenger school buses being field trip equipped buses with luggage racks, and **one (1) new 50-passenger special needs bus** for the District before the start of the 2016-2017 school years. The statement of warranty/guarantee must be met as well as the minimum chassis and body specifications for each bus purchased.
