## ADDENDUM ONE

**DATE: January 26, 2016**

**RE: IFB No. 16-26 New School Buses**

**Question 1:** Reading through the school bus bid, page #24, item #40 is for prevailing wage for work performed on the District property. Midwest Transit is in the business of furnishing IC brand school buses to meet the District's needs. We do not build the buses, only sell and service them. Many Districts require prevailing wages for construction projects only. We are requesting the ability to take exception to this item.

**Response 1:** The General Terms and Conditions as well as the Supplemental Terms and Conditions that you see in the bid are issued in every bid throughout the District. Not everything pertains to every bid that goes out, prevailing wage being one of them. For clarification, this bid does not require prevailing wage.
