IMPLEMENTATION OF PBIS WITH TIER I SUPPORTS

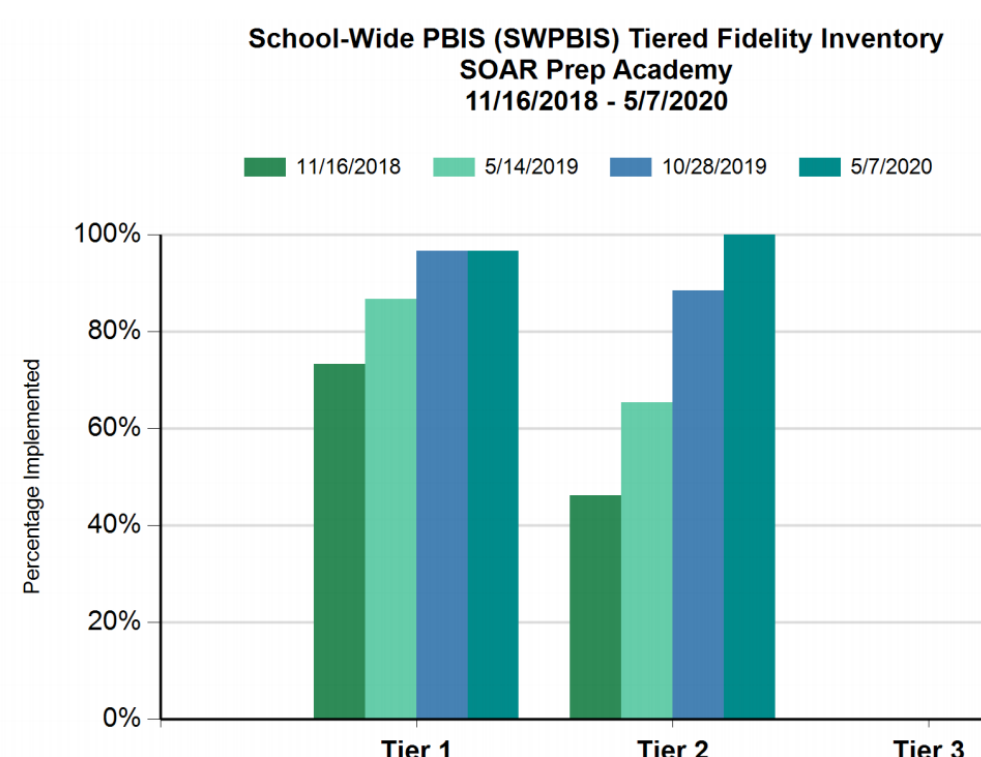

The Tiered Fidelity Inventory indicates we are implementing Tier I of PBIS at a rate of 97% of students. We have identified items from Tier I to continue to implement next school year.

EFFECTIVE TIER II INTERVENTIONS

Our parent-teacher conferences along with quarterly behavioral groups became a success this year. Tier II CICO interventions were implemented at a 70% success rate. Students receiving Tier II interventions showed a 64% improvement in grades, behavior, & tardies. We look forward to implementing various strategies for our academic support groups.

Implementation all Tiers of PBIS

The graph below shows that we met the criteria in Tier I to be considered for silver status. We look forward to adding universal, strategic, & intensive supports for our students and teachers as we continue to implement and improve all Tiers.

Date Completed	Tier 1	Tier 2	Tier 3
11/16/2018	73%	46%	0%
