Math 6 and Pre-algebra

- Scientific calculator (The calculator used in Minnetonka elementary school is fine.)

Algebra:

- 1 notebook labeled with student name for personal use in math class
- A graphing calculator is required for this course. Texas Instruments TI-83 or TI84 are recommended. Basic models are perfectly fine, as are hand-me-downs. Communicate with math teacher if this is a hardship.
- 1 pack of loose-leaf graph paper (give to teacher for classroom use)
- 4 AAA batteries (give to teacher for back-up classroom calculators)

Health:

- Spiral notebook

Language Arts:

- Spiral notebook
- 4x6 note cards

Study Skills:

- 2 pocket folder

Lockers: Inside dimensions are 12"W and 10 $\frac{1}{2}$ " deep. We recommend only a single shelf, smaller trappers and backpack so lockers don't get jammed.
