

## **TAFT Laptop Program (2020-2021 Academic Year)**

Taft recognizes that computers are an integral tool for learning and success throughout the campus, in the classroom, the library, the dorm, the science center, or on the Jig Patio. Taft requires each student to have a laptop computer. In order to make selection easier for parents and students, we are offering an optional school laptop program. Our goal is to provide better service for our students, while they are away from home, and to bring peace of mind for their parents. Our package is designed to meet all the computing needs of students during their time at Taft. Each package includes 3-Year Extended Warranty & 3-Year Full ADP Insurance & McAfee Anti-Virus Software. Taft's laptop program also includes complete on-site support with loaner laptops available when off-site repair is necessary.

## **Important Information About the Taft Laptop Program**

- ❖ *Models are subject to change based about the manufacturer's specs at the time of order. The exact model ordered may change, but will be equivalent to, or better than, the models listed above.*
- ❖ *All orders are due by **July 10, 2020**.*
- ❖ *Taft is hopeful that the laptops will arrive in time for the beginning of the school year, but there may be unexpected delays in shipping beyond Taft's control due to COVID-19 related delivery issues.*
- ❖ *Laptops can only be shipped within the 48 contiguous United States. Ordered laptops will be held on campus for pick-up by those students outside of the contiguous United States.*
