Dear Suffield Community & Town Employees,

Wednesday, June 17, 2020 marks Phase 2 of the State of Connecticut Reopening. We share everybody's relief and enthusiasm as we begin to get things up and running again. As First Selectman and Emergency Management Director, we want you to know that our children have represented and served the public well in their constant demands for opening playing fields and swimming facilities! I am sorry to report that playgrounds remain closed and will be reevaluated on June 30th (per guidance from the National Recreation and Parks Association). It is critical to emphasize the importance of adhering to the guidelines of the phased reopening to prevent the need to back-peddle and close down again. The [Emergency Alert](#) page (also accessible via the COVID-19 button) continues to be the source for updates in addition to [Facebook](#). Email suffieldreopens@suffieldct.gov to notify the town about any concerns.

Currently, Suffield reports the following COVID-19 information:

[\(CT data as of 6/16/20\)](#)

- 119 confirmed cases

350th Anniversary Celebration

The Town of Suffield announces plans to postpone in-person anniversary celebrations for 2020 until Columbus Day Weekend 2021. This includes the 350th Parade. Still scheduled for 2020, the Barn Quilt Trail beginning in late June and into July, and a socially-distanced car parade, fireworks and virtual commemoration slated for October 11-12th. Be on the lookout for a press release to be issued shortly and visit www.Suffield350.org for more information.

Dining

A number of Suffield restaurants took advantage of the town’s temporary outdoor dining permit and welcomed patrons on patios and the like including Suffield Pizza, Tosca, Nutrition Shack, Lucky’s Pub and the Shamrock Café. With warm weather upon us, stop by for an outdoor meal! Stay tuned as restaurants reopen indoor seating as well. Please support all our local restaurants.

Gratitude

More high praise and another shout out to Director Paula Pascoe and her staff for the Senior Center's Grab & Go Lunches. Thank you for taking such good care of our seniors!

From Senior Center residents, their families and general fans:

- “Thank you – you are our heroes.”
- “Susan raved about the quality, quantity and the price! The special note, included with each daily meal, is the cherry on top! ‘*Those meals give my mom’s life a purpose.*’ What an impact these meals have had on the quality of life for our older residents during these scary and confusing times.”

Blood Drives

The American Red Cross reports a critical need for blood donations. In an effort to help, the Senior Center will host drives on the following dates from 1:45 to 6:45 p.m.:

June 30

July 7

July 21

August 12

August 26

September 8

November 3

December 29

Due to COVID-19, the Red Cross implemented stricter donation procedures. All donors must make an appointment in order to donate and new procedures will be explained at that time. Call 1-800-RED-CROSS or go to www.redcrossblood.org to sign up online.

Portable Toilets

A number of residents inquired about reestablishing portable restrooms at Town facilities. With heightened cleaning and sanitizing guidelines implemented by the Health Department, this task now involves additional hurdles, namely finding cleaning staff to meet the new standards. Please be patient as we remedy the situation as quickly as possible.
