Answer: **Yes, all 16 open positions should be included in pricing**

4. Were the 16 open positions included in exhibit G

Answer: **All positions were included in Exhibit G**

5. With respect to hold harmless provision, the agreement included in addendum 2 requires Bidders to indemnify the District in a very broad manner, including things outside of an FSMC's control. This introduces a significant amount of risk for the FSMC.

We ask that the district amend the agreement to, at the very least, not require the FSMC to indemnify the District for anything beyond the FSMC's control.

Answer: **The intent of the hold harmless provision is only to include things within the FSMC's control.**
