Rockford Board of Education
Invitation to Bid No. 17-43 Custodial Services

1. With regard to Section 35 on page 26 of the Bid, please confirm that because the Invitation to Bid is for custodial services, the District does not consider the Illinois Prevailing Wage Act to apply to the services sought by the Invitation to Bid.-

Answer: **Illinois Prevailing Wage should be paid for any work classified as requiring Illinois Prevailing Wage. According to the Illinois.gov custodial or janitorial does not appear to be covered in the prevailing wage act of 2015.**

2. If the Illinois Prevailing Wage Act will apply to this contract, please confirm that (i) the District ascertained, as required by Section 4(a) of the IL Prevailing Wage Act, the general prevailing rate of hourly wages in which the work is to be performed, for each craft or type of worker or mechanic needed to execute the contract; or (ii) the District requested that the Illinois Department of Labor ascertain the general prevailing rate of hourly wages for work under the contract, for each craft or type of worker or mechanic needed to execute the contract or project or work to be performed. If the District's response to (i) or (ii) is yes, please provide the applicable wage rates.

Answer: **No.**

3. Due to the varied nature of the custodial services to be provided to the District and diverse needs of any given potential customer, in no event shall the custodial services be identical in all aspects among the District and any other customer. Please confirm that the Contractor shall not be required to provide the District with the same pricing offered to another customer for custodial services.

Answer: **The contractor should prepare pricing based upon the specs and requirements of this IFB.**

4. The building/school list that begins on page 4 and identifies a number of buildings/schools that will close in 2018. Do the contractors include or exclude these buildings from the bids? The list also identifies buildings/schools that will open in 2018. Do the contractors include or exclude these buildings from the bids?

Answer **The bid specs includes fifty (50) district buildings and two (2) stadiums which are currently operational.**

5. Pages 64 through 66 of the BID contain the Base Bid pricing matrix for all Labor, Overhead, Equipment and Materials. However, beginning on page 67 are charts 2, 3, and 4 requesting pricing for management costs, operational costs and snow removal costs. Are these costs part of the Base Bid pricing and are the charts just breaking this cost out or are the charts requesting separate pricing?

Answer **Managerial staffing and snow removal are part of the Base Bid. Pricing should be broken out according to the designated charts.**

6. Schedules 1&2 do not include a specified Administrative Assistant position however on page 32 paragraph H specifies an Administrative Assistant position. Please confirm this requirement.

Answer **The contractor is required to provide its' own Administrative Assistant support.**

7. In the pricing chart 3 on page 67 it requests a breakout for the cost of Filter/V-Belt inspection and replacement. Is this directly related to vacuum maintenance?

Answer **Contractor shall provide all labor required to change all filters from district HVAC equipment while ensuring all V-belts are in good operational order. The district is responsible for furnishing filter and V-belt replacement.**

8. In accordance with Section 5.J of the Quality Control and Personnel Section on pages 8 and 9 of the General Requirements in the BID, please confirm that the District will perform the criminal history records checks for the Contractor's employees at a cost to the Contractor of \$38.50 per criminal history check.

Answer: **The contractor would provide all the necessary back ground checks for their employees and provide the district with the results prior to beginning work on school property**

9. Please clarify whether the District or the Contractor will be responsible for performing a check of Contractor's employees on the Statewide Sex Offender Database.

Answer: **The contractor would provide all the necessary back ground checks for their employees and provide the district with the results prior to beginning work on school property**

10. Please clarify whether the District performed criminal background checks in accordance with the provisions of 105 ILCS 5/10-21.9 for the service employees currently working in the District. If so, please clarify whether the checks performed by the District on the existing service employees included a check of existing employees on the Statewide Sex Offender Database.

Answer: **The contractor would provide all the necessary back ground checks for their employees and provide the district with the results prior to beginning work on school property**

11. Will the district accept an alternative bid?

Answer: **The contractor can submit an alternative bid that provides a potential different model of delivering the services outlined in the IFB, but they still need to submit the original bid.**

12. Schedules 1 and 2 include the King Elementary School listed at 41,421 square feet. However the Building List starting on page 4 of the Bid does not include the King Elementary School. Should the contractors include or exclude King Elementary School from the bids?

Answer: **King should be included in the Base Bid.**
