

# WELCOME TO STEVENSON!

DEAR NEW PATRIOT,

Although we do not have all the answers for how this year will unfold, the Freshman Mentor Program is here to help guide and welcome you to the Patriot family!

FMP consists of over 200 dedicated, enthusiastic, and friendly junior and senior mentors who will be there for you as you transition to Stevenson High School. Freshman year is the best time to get involved in the Stevenson community! You'll love making friends as you take new classes and truly become a Stevenson Patriot. Advisory is also a great place to meet people. Regardless of what this year entails, Advisory will always be a place that allows you to make meaningful connections with your FMP student mentors, counselor, dean, and social worker. Each person is part of the team that will teach you about the traditions, resources, services, and opportunities available to you at SHS.
