- 1 - 100 page composition book - Mrs. Batson's Math Class
- 1 - 1/2 inch binder - Mrs. Kelly's Math Class
- 1 set of earbuds for computer work with student's initials marked on the earbuds, then enclosed in a small ziplock bag labeled with the student's name.
- PE Uniform (These can be purchased at Lands' End or gently used uniforms may be available in The Rack)
- Water bottle
- **Please, no large items to decorate lockers, such as locker lighting, as they take up too much room, which is needed for books and materials.**
- Feel free to reuse items from previous years, if they are in good condition. Notebooks should be new. Please label all items with the student's name, including pencils. ~ Thank you.

Lower School Science Supplies List 2020-2021
Grades K-4

Science boots that will be kept at school - please label both shoes. Croc boots work well because they are lightweight and dry quickly

For returning students, you may use the same science notebook from last year, but for new students you will need a notebook to take notes, glue in an experiment worksheets and record observations.

5th Grade Science Supplies List 2020-2021

1. A 3-Ring Binder (11/2 inch works best)
2. Five section dividers with labels
3. Ruled notebook paper to fill your binder (The paper with reinforced edges really help students keep their papers from ripping out, and makes for a neat and orderly binder.)
4. One package of 3X5 index cards (Color is your preference)
5. Pencils
6. A non-adhesive cover or stretch-fabric cover for your science book (Jumbo or Extra Large works the best!)
7. (Optional, but recommended) One enclosed pocket pencil sharpener
8. (Optional, but recommended) A three-ring organizer pocket is great for holding the pencils, sharpeners, and index cards (a Ziploc bag also works well).
9. (Optional) Highlighters to help identify important directions and material
