# LISLE ELEMENTARY SCHOOL

Dear Parents/Guardians,

Welcome to Kindergarten! Lisle Elementary School is pleased to welcome you to the 2020-21 school year! We are excited to work with your child as he/she grows as a learner and individual!

Please read carefully through the information below to ensure your registration goes smoothly. The forms in this packet must be completely filled out and the proofs of residency must be submitted to the Lisle Elementary School office before the third step of the registration process may begin. Thank you!

Kindergarten Registration is a four-step process.

### **Step One: Registration Packet**

- Complete all the forms included in this packet.
- Provide copies of the following documentation:
  - Student's Birth Certificate (certified copy, Foreign Birth Certificates must have certified Translation)
  - Parent Identification (Driver's License, Passport, or State ID)
  - Any existing Legal Custody/Guardianship documents – If there are any legal documents pertaining to custody of the student, a copy of that document must be provided. This includes divorce decrees and temporary legal guardianship
  - Three Proofs of Residency (see attached)
  - Registration form
  - Kindergarten Screening Information

### **Step Two: Online Basic Information Form**

- Go to <https://bit.ly/lisle202newstudentregistration> to access the Basic Information Form.
- Complete this information and submit the form.

### **Step Three: PowerSchool Account Set-up and Online Registration**

Once your Basic Information is received and processed, you will receive an email including account set-up information for PowerSchool.

- Set-up your account
- Complete the online registration forms included in your new PowerSchool account.

Parents will have the option to register for either full day or half day (morning only) kindergarten. Our full day program provides additional instructional minutes earlier in the student's educational career to develop reading, writing and math skills. In addition, the full day program provides time for developmental play-based learning that is rigorous and intentional to further incorporate a focus on social-emotional learning. Full day students also participate in classes such as art, music, physical education, and technology.

As a reminder, children must be 5 years old on or before September 1, 2020 to be eligible for kindergarten.

The documents that need to be filled out during the registration process are included in this packet. Completing these forms at home will reduce the amount of time it will take you to complete the registration process.

We look forward to seeing you!
