

If you are travelling abroad, we suggest that before you travel check out the link below to see if your destination is on the list.

<https://wwwnc.cdc.gov/travel/destinations/list>

Here is some other information for you to be aware of:

The CDC has issued three types of travel warnings.

Types of Notices

- **Warning Level 3**

Warning Level 3 (Red): Avoid all non-essential travel to this destination. The outbreak is of high risk to travelers and no precautions are available to protect against the identified increased risk.

China and South Korea travel health notice

- **Alert Level 2**

Alert Level 2 (Yellow): Practice enhanced precautions for this destination. The Travel Health Notice describes additional precautions added, or defines a specific at-risk population.

Italy and Iran Travel Health Notice

- **Watch Level 1**

Watch Level 1 (Green): Practice usual precautions for this destination, as described in the Travel Health Notice and/or on the destination page. This includes being up-to-date on all recommended vaccines and practicing appropriate mosquito avoidance.

Other destinations with Risk of Community Spread include: Singapore, Taiwan, Thailand and Vietnam.
