

## IMPORTANT INFORMATION

For the last term, elementary teachers evaluated students based on effort in all areas (I-Inconsistently, U- Usually, C-Consistently) except in Social Studies, Work Habits, and Social Development. Teachers provided a narrative of student's progress during distance learning in the areas of Reading, Writing, and Mathematics. All ungraded areas will be shaded on the report card.

Report Cards for the last term will be accessed electronically through the Parent Portal on Powerschool by logging into [region12.powerschool.com](https://region12.powerschool.com)
