Note: Regular registration for all camps ends the Thursday proceeding each camp week or a \$15 late fee will be applied.

Calhoun City Schools is excited about offering summer camp opportunities for students. To safely do this, we will need everyone's cooperation and support. Please know that our camps will operate a lot differently this summer due to our focus on safety and complying with all CDC guidance to slow the spread of Covid19.

- We have amended the camp schedule to allow time for transitions and smaller groups of campers.
- Staggered drop off and pick up times will be utilized with specific times for each camper.
 - Parents dropping off and picking up campers will be required to remain in their vehicles. Drop off/ Pick up locations and procedures will be communicated via email correspondence.
- We are encouraging camp sponsors to stay outside as much as possible; as this is a safer space without hard surfaces and less opportunities for virus transmission.
- Signage will be placed around the camp facilities to instruct campers of enhanced sanitation procedures and social distancing requirements.
- We will screen and evaluate all students and instructors daily. Campers and staff will not be allowed to stay if they exhibit a fever or symptoms.
- Visitors will be prohibited. Please trust that your child will be well taken care of. Our goal is to limit the number of people on site and focus on our campers.
- Group sizes will be limited in each designated area per Governor's executive order.
- To the extent possible, we will keep the same instructors and campers in the same group for the duration of the camp.
- We will enforce social distancing between groups, prohibit gathering and congregating among campers belonging to different groups.
- Staff will patrol camp areas to enforce sanitation and conduct additional cleanings routinely.
- Snacks will be provided by our summer feeding program.
- Masks are not mandatory but encouraged; campers and instructors are allowed to wear them.

Thank you for complying with these expectations. This will help us ensure that we are doing everything we can to protect our campers and instructors. Stay safe and stay well.
