Dear Region 14 Community Member:

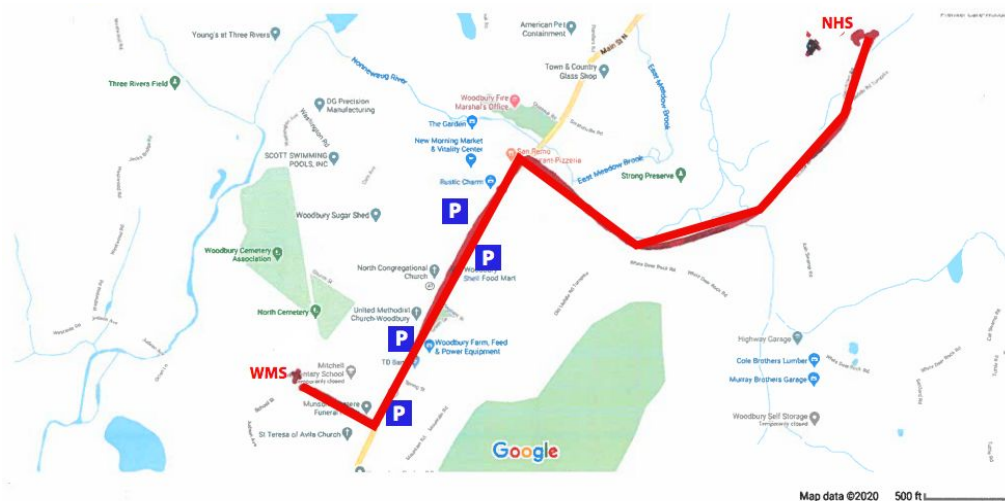

It's Graduation Day! Beginning at 9:30am, our graduating seniors will be participating in a **car parade** from Woodbury Middle School to Nonnewaug High School immediately prior to their graduation ceremony. We would like to invite the Woodbury and Bethlehem community to line the parade route to celebrate the Class of 2020. We would love for you to decorate your cars, bring signs of support, and cheer on our graduates as they pass by.

If you would like to join us in celebrating our graduates, **please park along the parade route by 9:15am**. Although the **parade begins at 9:30**, traffic will be halted at that time in order for the graduates to continuously drive the route and you will not be able to access the route to find parking. Below is a map of the parade route. We hope to see you there!

Once the parade has entered Nonnewaug High School, please join us through our livestream of the graduation ceremony at <https://vimeo.com/event/112343>. This link and the link to the [pre-recorded portions of the ceremony](#) will also be available on the Region 14 website (<https://www.ctreg14.org/>).

Sincerely,

Pam Sordi
Principal

Graduate cars will leave WMS at 9:30 am. At that time all traffic along the route will be held up.

We encourage family and community to safely line Route 6 to cheer on our grads.
