

## What is a Family-School Compact?

A Family-School Compact for achievement is an agreement that parents, students, and teachers will honor for the success of their student. It explains how parents and teachers will work together to make sure all students reach and exceed grade-level standards.

### EFFECTIVE COMPACTS:

- ✓ **Link** to the goals of the School Improvement Plan
- ✓ **Follow** the NC Standard Course of Study
- ✓ **Focus** on student learning skills
- ✓ **Share** strategies parents can use at home
- ✓ **Explain** how teachers and parents will communicate
- ✓ **Describe** opportunities for parents to participate

## Family & School Together

This Family-School Compact for Achievement was created to support our students, their families, and our school community. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings will be held each year to review the compact and make changes based on student needs.

***Parents are welcome to contribute comments at any time.***

If you would like to volunteer, participate, and/or observe in the classroom, please contact the office at 910-350-7860.

## Our Goals for Student Achievement

### District Goals

The New Hanover County Board of Education sets goals for the entire district. The district goals are:

- Consistently meet or exceed academic growth at all of our schools.
- Increase the number of learning opportunities for students through the integration of flexible learning spaces, technology and inquiry-based problem learning and non-traditional learning.

### Our School Goals

The CRECC School Improvement Team sets the goals in our School Improvement Plan. The school goals are:

- A2.16: Align units of instruction and activities are aligned with English Language Learners student progress and Individualized Education Plan goals and objectives.
- A4.22: Teachers respond to students' cultural backgrounds and incorporate culturally-relevant material in their classrooms.
- C2.01: Regularly analyze school performance data and aggregated classroom observation data to make decisions about school improvement and professional development needs.

CRECC's Instructional Improvement Plan focuses on four areas:

- Community Building
- Content Planning
- Instruction
- Assessment for Learning

## Teachers, Parents, Students – Together for Success.

### In The Classroom

The Pre-K team will work with families to support students' success in reading and math. Some of our key connections with families will be:

- Send home weekly newsletters and monthly homework calendars
- Send home books to read
- Provide volunteer opportunities for classroom participation
- Communicate daily through home-school communicator

### At Home

The home and school connection is vital to our students' success in school. Here are some ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list:

- Ensure my child arrives to school on time in order to promote good learning habits.
- Read the class newsletter each week and view the school website regularly for new ideas to support my child.
- Read nightly with my child and talk about how the story connects with things my child has experienced.
- Play games to review classroom skills.
- Check the communication folder daily.
- Celebrate my child's success!

### Students

**I will show good bucket-filler behavior in the following areas of our school community:**

Responsible	Respectful	Safe	Kind
