

Triangle Fish Drawing

Materials needed:

White paper

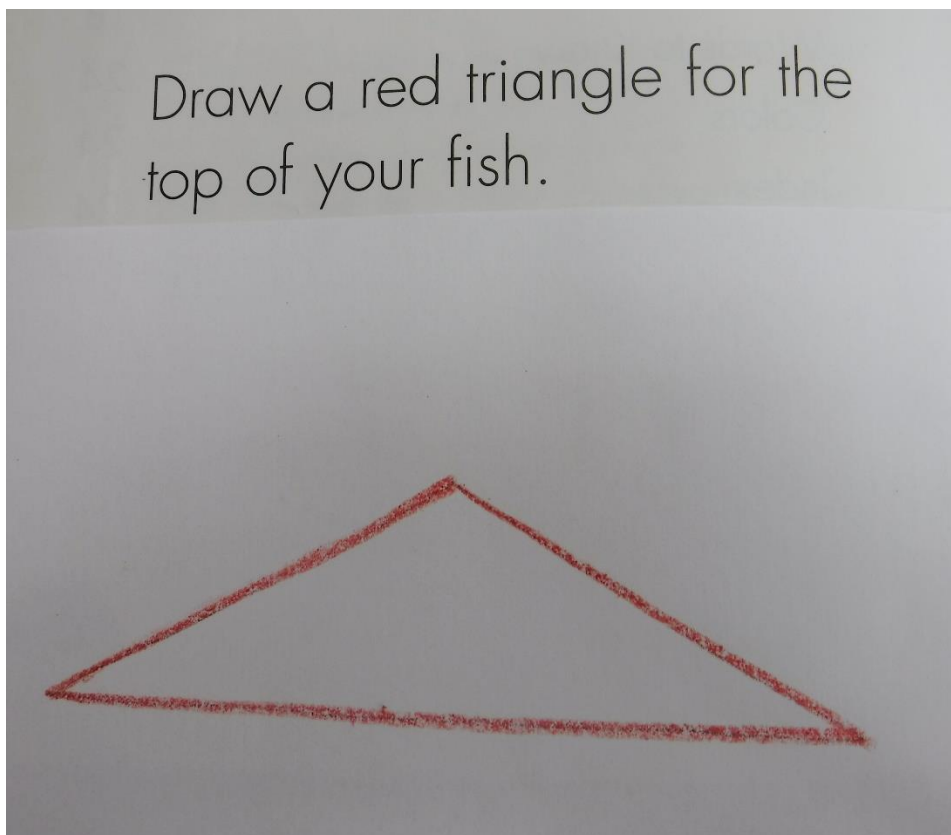

Crayons (red, orange, black, green, yellow, pink, dark blue, and purple)

Optional: pencil, ruler for straight edge

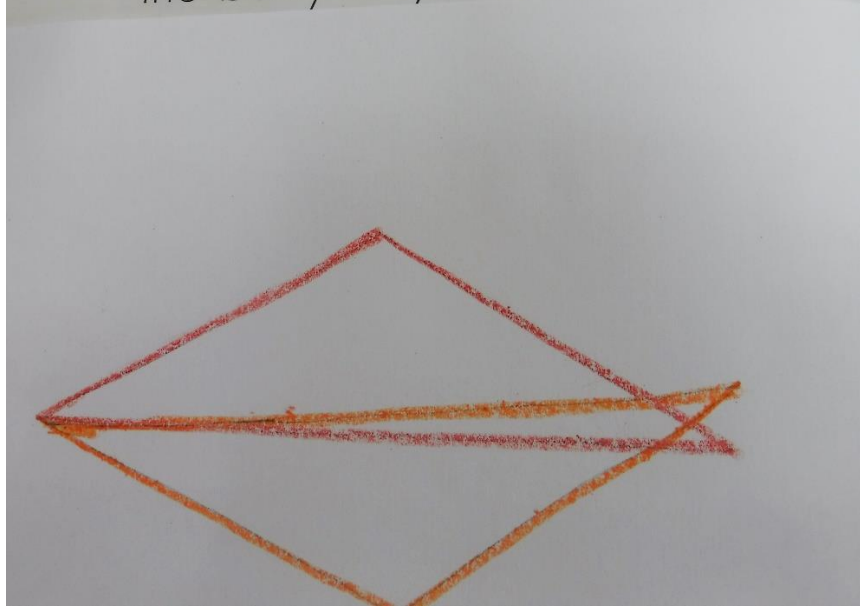

Procedure:

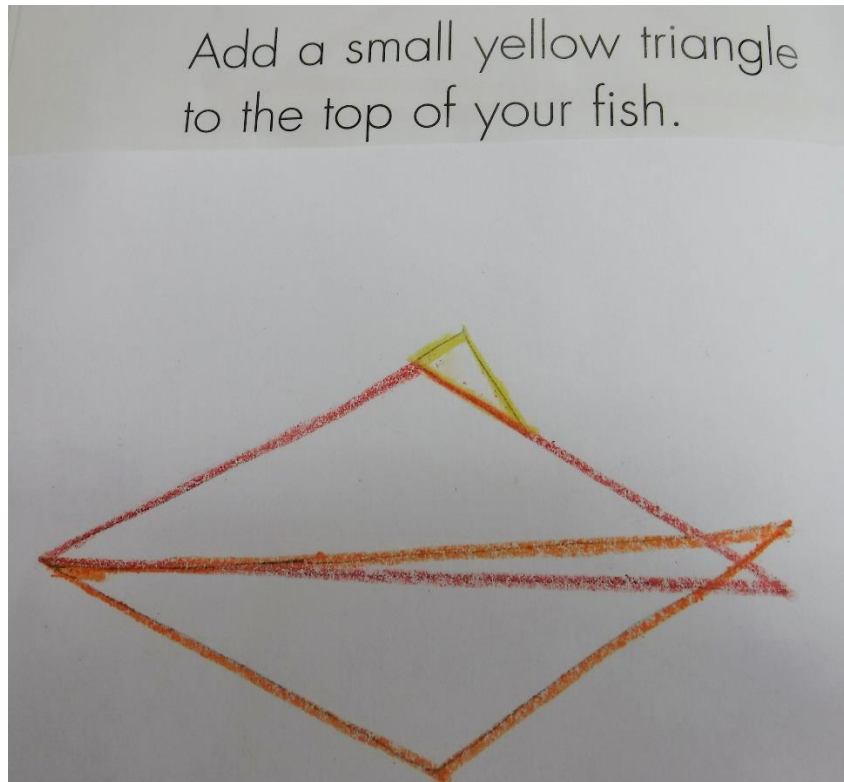

Draw a red triangle for the top of your fish.

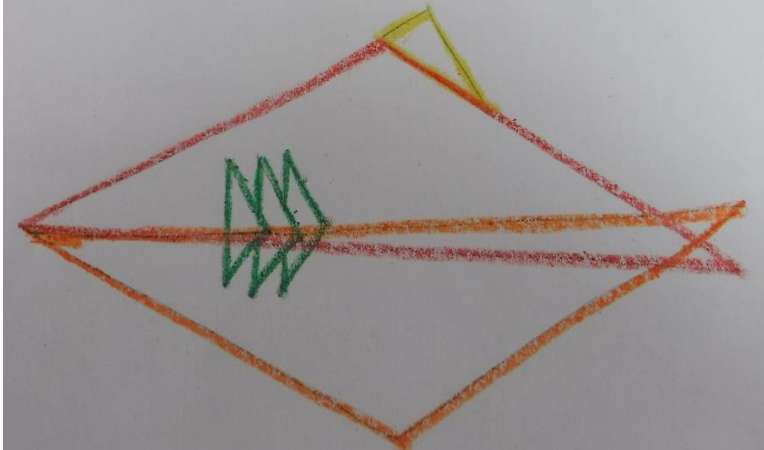

Add an orange triangle to the body of your fish.

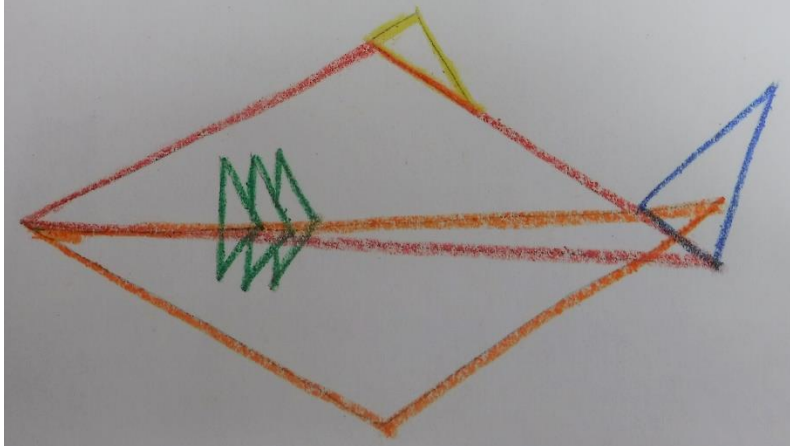

Add a small yellow triangle to the top of your fish.

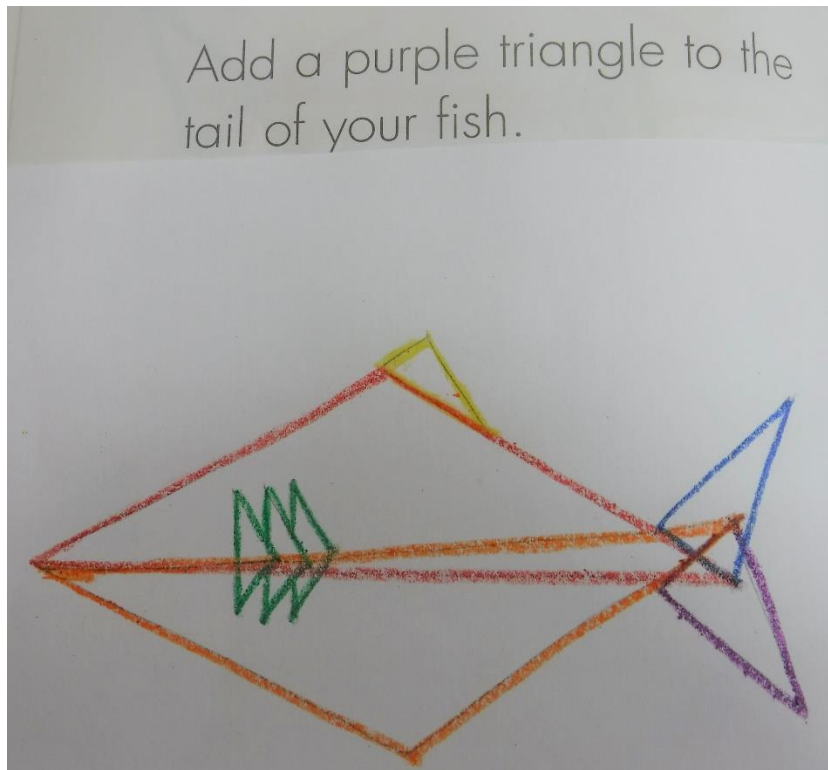

Add three small green triangles to the body of your fish.

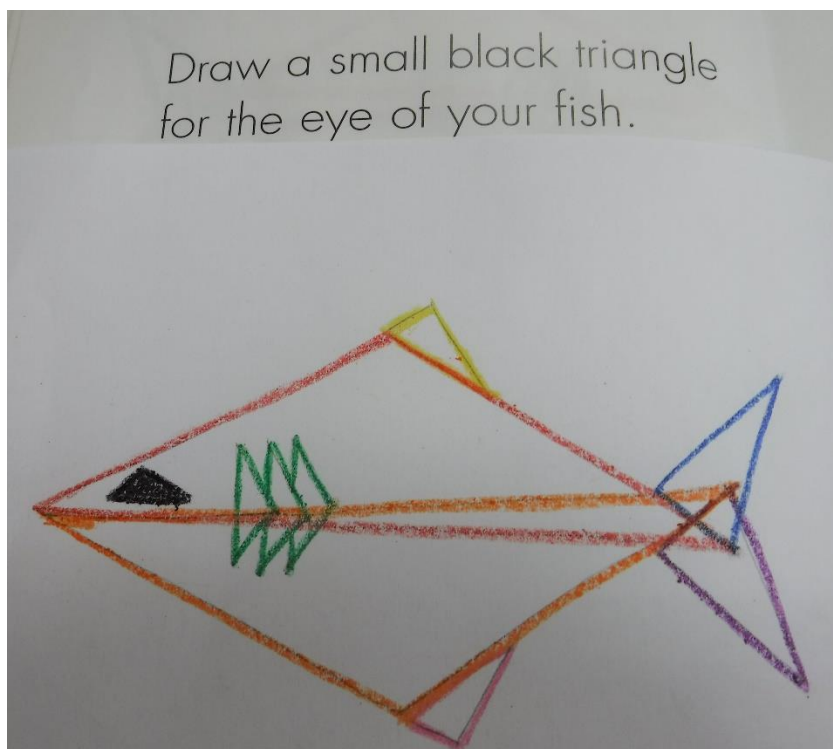

Draw a blue triangle for the top of the tail.

Add a purple triangle to the tail of your fish.

Draw a small black triangle for the eye of your fish.

Color in your fish.
