

Make a Village

Many of you have been successfully coloring, cutting, folding and gluing papers to build geometric solids. There have been some amazing ones built with toothpicks and marshmallows.

You may now be ready to make a whole village!

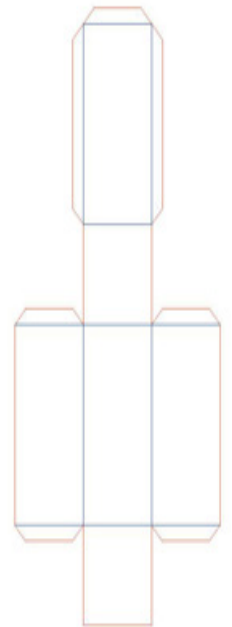

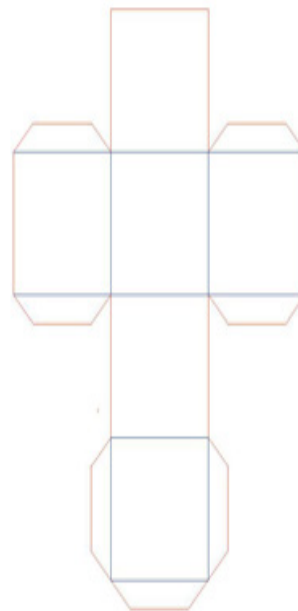

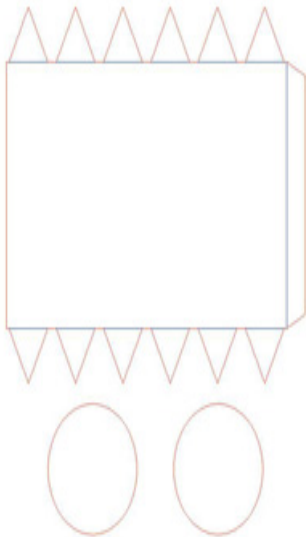

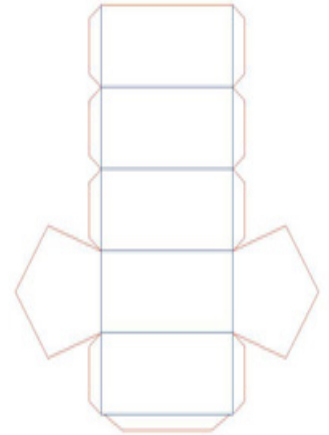

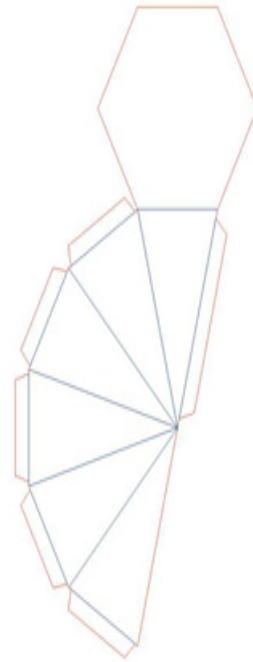

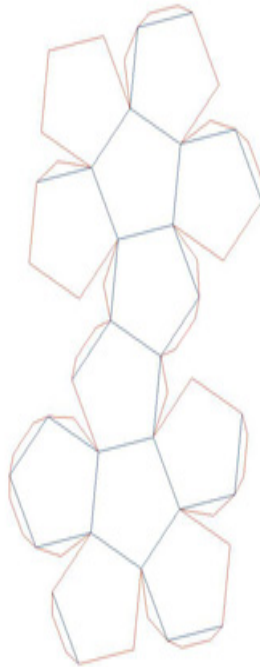

CREATE YOUR OWN CITY

You will need

- Card or paper
- Scissors
- Glue
- A few cocktail sticks

Instructions

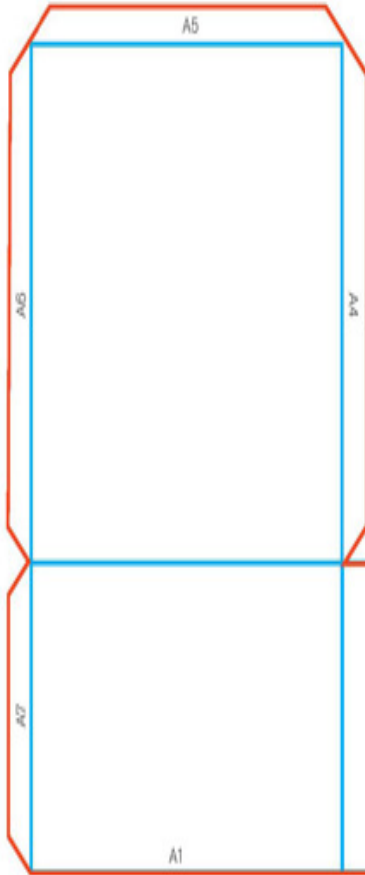

1. Cut along the red lines.
2. Fold along the blue lines.
3. Glue the flaps with the corresponding sides to create 3D blocks.
4. Create your own little city with the different blocks.
5. Don't forget to place your own little house.
6. We look forward to seeing pictures of your creations.

Enlarge these a big as you want!
