

Directions: Break “10”

- Recording Sheet (1 per student)
- Deck of numeral Cards

1. Write your starting number on your recording sheet.

2. Pick 2 cards from the deck and make a number.

3. Subtract.

4. Use your answer as your new starting number. Pick your 2 new cards and subtract.

5. You win the game when you “break 10”. This means your answer is less than 10.

6. Play again!

- 2011 MA Frameworks: 3.NBT.2: Fluently add and subtract within 1000 using strategies and algorithms based on place value, properties of operations, and/or the relationship between addition and subtraction.
