

Directions: Multiple Maniac

Materials: 1 recording sheet per player, dice, special die with #5-10, calculators

1. Roll:

1 die (with digits 1-6)

1 die (with digits 5-10)

Record this number as your multiple.

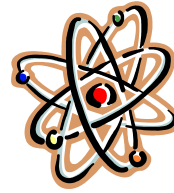

2. Roll the die again. You need to list that many multiples of your number.

3. Record your multiplication number sentence and product.

4. Use a calculator to add your products. The person with the largest sum is the Multiple Maniac!

➤ 2011 Massachusetts Frameworks: 3.OA7: Multiply within 100
