

Directions: 7-UP

- Dice
 - Recording Sheet (1 per pair)
1. Find a partner who is at the same challenge level as you!
 2. Roll the die.

3. Record your numbers rolled on the recording sheet.

4. Work together with your teammate to:

 Create **two fractions**. Find the least common multiple and **add** your fractions with a common denominator.

 Create **two fractions**. Find the least common multiple and **subtract** your fractions with a common denominator. (Make sure you have the largest fraction first!)

 Create **three fractions**. Find the least common multiple and **add** your fractions with a common denominator.

5. If you and your teammate complete all 7 rounds correctly in the time allotted you win 7-UP!

5.NF.1- Add and subtract fractions with unlike denominators by replacing given fractions with equivalent fractions in such a way as to produce an equivalent sum of difference of fractions with like denominators.
