

Create-an-Animal

You are a zoologist who has just discovered a new animal species. As every good scientist does, you will document your exciting finding. Design a fact sheet highlighting this new animal discovery. Be sure to include the following key pieces of information:

- your animal's name
- your animal's basic needs
- how your animal's needs are met
- where your animal lives
- a colored illustration of your animal in its natural habitat

Your fact sheet might have text features like labels, captions, maps, bold words, subheadings, and more.
