Clarification/Modifications

Attached are questions and answers received for this bid to date, along with a revised bid offer form.

Please Note: The due date for receipt of bids has been extended to Thursday, February 20, 2020 at 2:00 p.m.

Questions:

Can you clarify how the monthly/annual pricing is to be invoiced?

Services are billed monthly by location.

Should our bid in the weekly grand subtotal lines account for the approximately six weeks of reduced summer pricing?

Yes, see revised bid offer form.

If our overall annual bid including the reduction during the summer months is \$50K we would then divide by 52 and that would be the weekly grand subtotal?

Reduction during the summer months should be a subtraction from the grand total.
