Dear Business Owner:

**The Friends of Los Alamitos Elementary School (F.L.A.E.) will hold its Tenth Annual "Starry Night Dinner and Silent Auction" on Saturday, March 7, 2015.** This event will help F.L.A.E. raise the funds needed to continue with the MIND Institute's Spatial Temporal Math and Music Program, a program that helps our children learn math through music and non-verbal computer math games; support a media center aide position; provide financial assistance for Outdoor Science Camp; continue professional development for our teachers; and add technology upgrades for our classrooms.

It takes an involved community to make an elementary school thrive. Community assistance has enabled us to provide resources for teachers and students to achieve academic excellence.

We are asking for your help with a tax-deductible donation for our Silent Auction. All proceeds for this event will go directly to supplement the students' programs. For tax purposes, F.L.A.E. is a non-profit organization and the tax identification number is 20-2921956.

Each and every gift makes a difference! We would love to have a gift card, certificate, or a selection of products donated from your company for our auction. You can mail contributions directly to the above address, earmarked for the Starry Night Dinner and Silent Auction, or call us if you prefer that we pick up your donation. Please enclose a brochure, and/or menu or business card with your donation so we can include it in our catalog where the community and school can recognize your support.

If you have any questions, please feel free to contact Jill Shaw at (562) 477-4073 or [jill@vissys.com](mailto:jill@vissys.com). We appreciate your efforts to support Los Alamitos Elementary and thank you for your consideration.

Sincerely yours,

Thea Rodrigue  
F.L.A.E. President
