

Return to School Scenarios

2020/2021

Task Force Mission & Process

Our design team was tasked with developing potential instructional program scenarios for the 2020/2021 school year, adhering to state and local health and safety recommendations.

- ❖ Scenarios include both elementary and middle school models
- ❖ Scenarios are currently undergoing refinement by a logistics team
- ❖ Scenarios include teacher, parent, and administrator input
- ❖ Scenarios address a variety of student and staff needs, including mental health, special education, and supports for students in special populations
