

# 2020-2021 SCHOOL YEAR

1

## OPTIONS

- On Campus
- Online transitioning to On Campus
- On Campus transitioning to Online

2

## FLEXIBILITY

- Make your choice for your situation.
- Options to begin the year at home and return to campus when able.
- Increased number of terms in one academic year creates built-in pivot points.
- Remain on campus during scheduled school breaks to reduce travel.

3

## SAFETY

- Health & Safety Plan developed, reviewed, and approved by the Infection Control Specialist at St. Luke's Quakertown | Upper Bucks campus.
- Decisions are made with guidance from the CDC and the PA Department of Education.
- Working closely with the National Association of Independent Schools, Association of Delaware Valley Independent Schools, The Association of Boarding Schools, & The Student and Exchange Visitor Program.
- Revised daily schedule slows the pace of the day to incorporate proper hand washing, cleaning, sanitizing, and social distancing.
- Breaks between classes provide safety in campus hallways and reduces computer/device fatigue for online learners.

4

## QUALITY

- Three classes per term delivers high-quality, focused education.
- Class periods do not rotate during terms, providing continuity for online learners.
- Two conferencing periods/day for one-on-one faculty assistance or space for AP review, Learning Center, institutes, or academic support.
- Evening ESL classes provide flexibility.
- Open air classrooms and with technology access points allow for live-streaming of events.
- Advisory, leadership clubs and activities, Purple & Gold Games, arts, and athletics will be on campus and online.
- Valuable lessons learned from Virtual Perkiomen will be integrated into Perkiomen Resolved.
