## **HERE'S YOUR ACADEMIC ADVANTAGE!**

Dear Hebron Academy Families,

For the 2019-2020 academic year, Hebron Academy and E&R – The Campus Laundry will once again partner to provide laundry services to all interested students to better meet our community's needs. Anyone who has been in academia for a number of years comes to understand certain realities about student life; in particular that cleaning rooms and laundering clothes and bed sheets have become low priorities for many students, given their increasingly busy schedules.

**Let E&R - The Campus Laundry provide you with 80 to 100 valuable extra hours each school year with its weekly on-campus laundry and dry cleaning services.** All plans include weekly cleaning of personal bed and bath linens. We recommend that you consider one of E&R's plans, which are currently available at discounted rates. Additional details are provided in this brochure.

By using E&R laundry services your student will be able to:

- Focus on academics
- Maximize FREE time: they've earned it
- Always look sharp and present themselves well
- Enjoy a healthy and clean lifestyle
- Know that their laundry is cleaned in a world-class, environmentally-friendly facility

Over the years, E&R – The Campus Laundry has demonstrated a proven track record of providing reliable, professional, and top quality service to our students. **As such, we encourage each of our families to review the enclosed materials, choose a plan, and ensure their student makes the most of their time on campus.**

Sincerely,

James Bisesti  
Chief Financial Officer and Business Manager
