

News From FS1

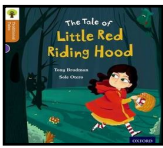

Cairo English School FS Department.

Volume 1, Issue 7 - 31st October 2019

This week we have started our new topic called **"Once Upon A Time, there was..."**
During this new topic the children will be looking at a selection of traditional fairy tales. They will find out about story structure and investigate the various characters.

Literacy

Our first story for this new topic is 'Little Red Riding Hood'. This week we talked about the front cover of the book, the different characters and what we thought the story would be about. We looked at what happened at the beginning, in the middle and the end. We used picture cards to sequence the story and made our own story maps to recall it.

Tea with the Director

Let's see who had juice and biscuits with Ms Beth our school Director this week!

Please help: We are currently looking at enhancing and improving our music making area in the garden. Old pots and pans make some wonderful sounds and lovely noises for the children to experiment with. If you have any old pots, saucepans, bowls, wooden spoons etc. and don't need them any more, please send them in for us to use, they would be very much appreciated. Also we are always in need of clean, empty boxes, cartons, tubs and anything we can use in our craft and junk modelling area.

Thank you 😊

Phonics

In **Phonics**, we have been using the sounds made by musical instruments in our story telling. We used different instruments to represent the actions of the characters. How might Red Riding Hood's feet sound as she walks along the path? In small groups we made up our own pieces of music which we then performed to the class.

Numeracy

This week we have been experimenting with repeating patterns. We looked at some pattern sheets and made our own patterns using Compare Bears. We talked about what colour/size comes next? What is it next to? or In between of? We also had lots of fun playing 'What's the time Mr Wolf?' in the garden.

ARABIC
