Once upon a time

This week we have looked at the traditional tale of  
**'The Three Billy Goats Gruff'.**

## Literacy

First we looked at the pictures in the story, the children made their own predictions about what they thought might happen. How will the goats cross the bridge? What will the Troll do next? Then we read the story emphasizing the main characters and recalling how a story is structured. We had a lot of fun joining in with the repeated refrain of.... "Who's that trip trapping over my bridge?"

## Tea with the Director

Let's see who had juice and biscuits with Ms Beth our School Director this week!

## Phonics

In **Phonics**, we have been investigating sounds that we make with our bodies, such as snoring, yawning, clapping hands, stamping feet etc... and then used them in a story about a very 'Noisy Neighbour'. We discussed the different times that we need to think about when we can be noisy, such as when we are playing at the swimming pool, at a party or in the park and the times when we need a quiet voice such as in the library or in the classroom.

## Numeracy

This week we have compared sizes of different objects. We started by comparing the sizes of the three billy goats from the story. The children then chose different items from around the classroom and sorted them into groups according to their size (big/medium/small). We have also compared the size of groups of objects and saying when they have the same number.

## ARABIC

**أعزائي أولياء الأمور. بعد التحية :**
