Captain Change

Welcome back to school after what we hope was a very enjoyable and relaxing winter break. We begin this term with a new topic '**Captain Change**'. During this topic the children will be investigating the changes that take place in the world around them. This week we began by looking at the changing '**seasons**'

Literacy

In keeping with our theme we have used the story of '**Elmer and the Rainbow**' as our focus book. We drew pictures of Elmer, annotating the drawings with ideas for an alternative ending. We looked at the different seasons and the weather associated with each one, such as it is hot in the summer and we could wear shorts and t-shirts, then in winter we wrap up in lots of layers to keep warm.

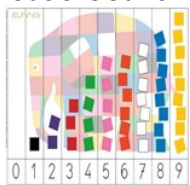

Phonics

In Phonics we have been developing our knowledge of oral blending and segmenting sounds in words. We listened to the sounds within short words and practised remembering the order in which these sounds occurred. We clapped out the sounds we could hear and counted them. For example 's-a-t' and 'p-i-n'. We also introduced the letters **c** and **k** as in **cat**/**cake**/**kitten**.

Numeracy

This week we looked at number formation and learning the rhymes for the numbers 6 to 10. We used our Numicon resources to investigate how many different ways we could show the same amounts. We then placed the correct amount of chain links onto pre-numbered elephants. Then we counted the coloured patches on Elmer and recorded this in a graph.
