

News From FS1

Cairo English School FS Department.

Volume 1, Issue 4 - 3rd October 2019

This week the theme of our learning has been 'healthy eating and living'
Look at all the fun things we have been doing.

Literacy

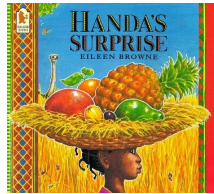

Our topic this week has been 'Healthy Eating'. We looked at different types of healthy food and

how to keep ourselves healthy. Our focussed story was called 'Handa's Surprise' We have also been learning about how stories are structured.

For this we used some masks and puppets to re-enact the story.

We explored fruit printing and found some props around the classroom to support our role play.

Phonics

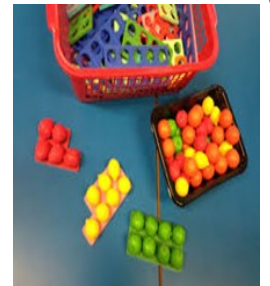

In Phonics this week we have been developing our listening skills and our awareness of the sounds around us. We created some very big ears to help us to listen carefully when we went on a 'listening walk' around school.

Numeracy

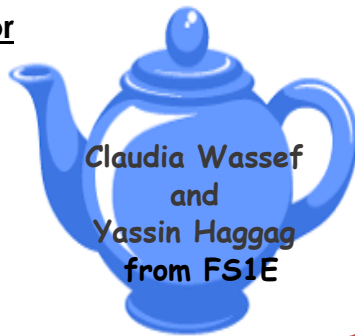

This week we have been 'Reciting numbers to 10' and 'Matching the numbers we know to groups of objects.'

We counted all the children in our class, placed toy fruit into the holes on our Numicon frames and matched written numbers to the amount of fruit used.

Tea with the Director

Lets see who had juice and biscuits with Ms Beth our school Director this week!
