Week 8 ~ 31st October 2019

Theme: *Animals and Us*

Science Topic: *Seasonal Change and Plants*

Term 1.2 Learning Challenge: *Can you feel Autumn?*

Week 8 Learning Challenge Question: *What's the weather like? How do you know?*

Rain, Rain Go Away!

We shared lots of stories about the weather over the holiday. Some of us were in El Gouna with warm, sunny weather. Some of us were in Cairo and saw lots of rain, storms, thunder and lightning! We saw flooded roads and puddles everywhere! What a change in the weather! We will keep observing, talking about and exploring the weather throughout this term and the rest of the year.

We also explored our senses in Science and identified the body part associated with each sense. We know that our senses are vitally important for us to explore and understand the world around us, including the weather.

English ~ Rhyming, Patterned Texts

We used our sense of hearing to explore the sounds of the world around us, or below us as in the case of the *Underground Dance*. We wrote our own patterned verses to add to the text.

Listen, Listen

What's that sound,

Down, Down,

Underground?
