

FS & KS1 School
Year One Newsletter
Week 2 ~ 12th September 2019

We have truly enjoyed our first, full week in Year One. Thank you to parents and children for coming to school on time, being well-rested and bringing healthy lunch boxes! Everyone is settling into our routines well and eager to learn! We look forward to a great term ahead!

Warm regards from Ms Katy, Mr Jo, Ms Tersia, Ms Amanda, Ms Shaima, Ms Ida and all our support staff.

We will dive straight into our first topic next week. At the beginning of each new term we send home an overview of what we will do in all subject areas along with a **Knowledge Organiser** specifically for the topic focus, be it Science, History or Geography. By the end of the topic, children should have grasped all the vocabulary, terms, images and dates contained in the Knowledge Organiser. As parents, you are welcome to look at this together with your child and refer back to it during the term. It is a good way for both parents and teachers to check learning has truly 'stuck' and that we are delivering a **knowledge rich curriculum**. Please take a look at the overviews we have sent home today.

Our class rooms are taking shape ... there seems to be lots of talk of tigers in our corridor. We'll see what happens next!

Swimming!

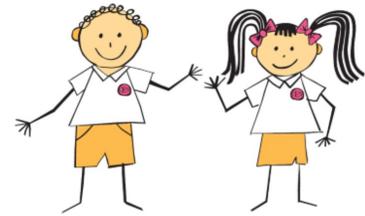

Well done to everyone who began swimming this week!

Week 2 ~ 12th September 2019

Phonics Warm Up!

Consonant digraphs, long vowel digraphs and trigraphs are always the trickiest to remember from FS2. This is why we focus on these phonemes and graphemes throughout the beginning of Year One. In the coming weeks we will be reading and spelling words containing the sounds pictured below:

You can find videos and activities for all these sounds on the phonics page of Discovery Education's Espresso site.

sh	th	ng	ai	ee	igh	oa	oo	ar
or	ur	ow	oi	ear	air	ure	er	Phase 3 Sound Mat
							123 456	

Here's how you can login into Espresso:

<https://online.espresso.co.uk/espresso/login>

Username: student44281

Password: cairo2019

Check your child's communication book for login details for Mathletics and Reading Eggs.

Notices: Please **label** your child's lunch bag, or the items in it. We take our lunch boxes outside to eat our morning snack, so it is very easy to get mislaid or picked up by another child accidently .

Library visits will begin soon. A library bag to carry books home in will come in handy. Your child's class teacher will let you know the date they begin.

Writing Numbers Correctly

Make sure you are writing your numbers correctly before completing a short number task.

I can write my numbers...

Write the numbers 10 to 20, showing correctly number formation on the line below.

We can use the number line to help us find 1 more than a number. We just need to move one square to the right.

0	1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	---	----

→ more

1 Add the missing number on these number lines to show 1 more.

a

3	4	
---	---	--

b

7	8	
---	---	--

c

5	6	
---	---	--

d

1	2	
---	---	--

To find 1 more locate your number and move one square to the right.
