New Space for Athletics at Lenox Hill Neighborhood House

We are pleased to announce that BWL has entered into a comprehensive leasing agreement with Lenox Hill Neighborhood House, a highly sought after and full service athletic facility that is just seven blocks away from BWL. Lenox Hill has long been the extracurricular sports location for several independent schools in the area.

Lenox Hill Neighborhood House includes a full size gymnasium, weight room, and pool with a lifeguard. This allows us to accommodate the following twelve teams for BWL's home games and practice sessions: Middle School Soccer; three Volleyball teams (Middle School, Junior Varsity, and Varsity); all five Basketball teams (Middle School Girls, Middle School Boys, Junior Varsity Boys, Varsity Boys, and Varsity Girls); our Middle and Upper School Swim teams; and Lacrosse.

The Lenox Hill Neighborhood House space complements BWL's existing array of practice and game spaces throughout the area, allowing us to streamline all practice and game transportation for many of the after school sports in our program. In addition, we continue to utilize the Sokol gym, enabling us to hold several games simultaneously during peak championship seasons.
