The policies in this handbook are under continuous review and subject to change as Eton's COVID Taskforce monitor conditions and receive guidance from government and health authorities. Any modification of these policies will be promptly communicated to families.

We are...

- Inspired: to learn, to relate, to create, to make a difference
- Prepared: to question, to work collectively, to excel, to lead
- Empowered: to think critically, to be compassionate, and to become a world citizen

Directions for Drop Off with Screening for All Students

- Department of Children, Youth and Families recommends that you have the same adult drop off and pick up your child each day.
- Families will be sent a PIN with their class placement via email prior to the first day of attendance.
- We ask you to wear a cloth face covering during the waiting, screening and check-in process.
- Please use hand sanitizer before starting the check-in process.
- Students need to stand with their parent during the entire screening process.
- Only screened students enter the building.

Stand on one of the four decals (spaced 6 feet apart) while waiting at your designated screening station. If all decals are taken (four families already in line), remain in your car until a decal space becomes available.

At screening table:
- Eton School staff takes your child's temperature.
- Using the clean iPad provided by Eton School Staff:
  1. Enter your PIN to bring up your child’s name.
  2. Enter your child’s temperature.
  3. Answer general health questions (per the Department of Health and Department of Children, Youth and Families).
  4. Submit your check in.

Eton School staff member escorts your child to class.

Directions for Pick Up

- Department of Children, Youth and Families recommends that families have the same adult drop off and pick up your child each day.
- We ask you to wear a cloth face covering during the waiting and pick-up process.
- Please use hand sanitizer before starting the check-out process.

When it is your turn, ring the video doorbell and wait for Eton School Staff.

Using the clean iPad provided by Eton School Staff, enter your PIN and check your child out.

Wait for a staff member to bring your child to you.

Escort your child to your car.
Mezzo Montessori Camp

At the outside door for Mezzo 3 (same screening station used at drop of), stand on a decal (spaced 6 feet apart) while waiting. If all four decals are taken, remain in you car until a decal space becomes available.

Using the clean iPad provided by Eton School Staff, enter your PIN and check your child out.

Wait for a staff member to bring your child to you.

Escort your child to your car.

Main Summer Camps and Clubhouse:

At the Main Building front entrance (same as drop-off location), stand on a decal (spaced 6 feet apart) while waiting. If all four decals are taken, remain in you car until a decal space becomes available.

Using the clean iPad provided by Eton School Staff, enter your PIN and check your child out.

Wait for a staff member to bring your child to you.

Escort your child to your car.

Clubhouse and Camp Activities

Work/Classroom Time

- Classroom furniture is setup in designated workspaces designed to encourage social distancing.
- Students use individually assigned work rugs and tables.
- Students use their own art supply set prepared by the school.
- Staff monitor the distance between students and remind them not to touch their faces.
- Staff encourage students to wash their hands throughout the day.
- Group activities are modified to maintain distance between students.
Meals and Snack Time

❌ Students eat snack and lunch (brought from home) at their designated table in their designated workspace.

❌ Staff clean and sanitize all tables before and after each use.

Rest Time for Summer Clubhouse and Montessori Camp

公开发行

خلاف

❌ Rest mats are set up 6 feet apart, in a head-to-toe orientation.

❌ Staff clean and sanitize all mats after each use.

❌ Crib sheets and small personal blankets are laundered by Staff at the end of each day and sent home at the end of each week.

Playground/Outdoor Activities

✅ Each group has a designated play area and its own set of playground equipment.

✅ Mezzo: Climbing Toys, playhouse are now approved for use (per DOH and DCYF 6/19/2020). The sandbox remains closed.

✅ Main: Climbing Toys are now approved for use (per DOH and DCYF 6/19/2020).

✅ Main: All swings are now approved for use (per DOH and DCYF 6/19/2020 and sanitized after each use.

🙌 Staff monitor handwashing and wipe down surfaces in the restroom after each use by a student.

Student Health Policy

👉 Handwashing is enforced throughout the day.

👉 All staff are required to wear a face covering.

👉 During the day, students age 5 and older must wear a cloth face mask (update per DCYF 6/24/2020) and students age 3-4 are encouraged to wear the cloth mask (clearly labeled with child’s name). All face mask are brought from home. Face shields can serve as an alternative to a cloth face coverings and they should extend below the chin, to the ears, and have no gap at the forehead.

◇ Children are grouped prior to attendance, and the group remains consistent as much as possible.

◇ New students may be added to the Summer Complimentary Clubhouse at the start of a new week.

✅ All camps are self-contained and attendees are separate from Summer Complimentary Clubhouse.
If a Student Develops Signs of COVID-19 OR Becomes Sick While at School

Classroom with student who shows sign of illness:

The student who shows signs of illness is removed from the classroom immediately to a designated isolation room where a staff member supervises and cares for them.

The sick student is asked to put on the cloth mask that they brought from home.

Parents of the sick student are called to come pick up their child immediately and asked to follow the recommendations of the Washington State Department of Health. The parents are also asked to notify Eton School immediately if the student is diagnosed with COVID-19.

People who are sick (and not diagnosed with COVID-19) should stay home and away from others until:

They have had no fever for at least 72 hours (3 full days without the use of medication that reduces fever).

AND

At least 10 days have passed since their symptoms first appeared.

AND

Their other symptoms have improved (e.g., symptoms of cough or shortness of breath have improved).

OR

It has been at least 3 days (72 hours) since recovery AND a health care professional provides a note that the student does not have suspected or confirmed COVID-19 and may return to childcare/campus.

Student and staff in the same room occupied by the sick student are moved to another unoccupied, clean room if one is available.

Parents of the other students are notified that a sick student was sent home.

Class continues the next day after the room has been deep cleaned unless a diagnosis of COVID-19 is confirmed.
If there is a Suspected or Confirmed COVID-19 Case at Eton School

Eton School staff immediately notify families and staff who had close contact with the case while the person was sick.

Eton School sends families whose children had close contact the COVID-19 Fact Sheet for Families from Public Health – Seattle & King County.

The classroom closes and the group of children and adults from that room are directed to quarantine for the recommended period of time (currently 14 days).

Eton School follows the CDC recommendations on the cleaning and disinfection of rooms and areas occupied by those with suspected, or with confirmed, COVID-19.

Eton School notifies Public Health – Seattle & King County.
