

Los Alamitos Unified School District
Citizens' Bond Oversight Committee for the 2008 Measure K
ANNUAL REPORT FOR 2012
March 2013

INTRODUCTION

The Los Alamitos Unified School District (the “District”), which serves the cities of Los Alamitos and Seal Beach and the communities of Rossmoor and Surfside and other unincorporated areas of Orange County, is the recognized leader in providing top quality education to Orange County students.

ALL (nine) of the District’s eligible schools have been recognized as California Distinguished Schools multiple times. Eight have been named National Blue Ribbon Schools. In 2012, McAuliffe Middle School was again recognized as a National Blue Ribbon School, and Rossmoor Elementary School received a California Distinguished School award. Weaver Elementary School is the highest scoring elementary school in Orange County on statewide assessments, and Erin Kominsky, Principal at Weaver, received the National Distinguished Principal award for 2012. Los Alamitos Unified School District students regularly win honors in county, state, and national competitions, including:

- 19 National Merit Scholars Commended in 2012-13
- Military Academy appointments
- Academic and athletic scholarships
- Sunset League athletic championships
- CIF championships
- National championships by the high school song leaders
- Sweepstakes championships by the marching band
- Model United Nations, and speech and debate tournaments

In addition, students from the District schools volunteer thousands of hours each year to community and environmental causes.

The achievements have been accrued by the District as a result of the long history of visionary leadership from the Board of Education for the District (the “Board”), as well as from staff members, parents, and members of the District communities. During its long history, the District has benefited from a community which supports its educational institutions by establishing high standards for academic achievement, while at the same time providing the means required to meet and even to surpass those expectations.

Citizens' Bond Oversight Committee for the 2008 Measure K ANNUAL REPORT FOR 2012

Although maintained well, the average age of District schools is almost 50 years. Los Alamitos Elementary School, the oldest District school, has been serving students and the community for more than 59 years.

In order to provide local students with the same classrooms and school facilities as other California school districts, major repairs, upgrades, and classroom construction are necessary to ensure these buildings will remain functional for future generations.

The District's Board of Education responded on August 5, 2008 by authorizing placement on the November 2008 ballot Measure K, a general obligation school construction bond. If approved, Measure K would provide \$126 million for a wide array of District facility needs with every campus to receive improvements by having classrooms and facilities repaired, upgraded and modernized as necessary, along with \$2 million for technology needs and \$2 million for athletic projects. The number of projects that can be completed with the bond's funds is highly dependent upon construction costs and the amount of State of California matching funds.

Measure K was presented to the voters through the state's Proposition 39 program under which a measure is passed with 55 percent voter approval. On November 4, 2008, Measure K was passed with a strong 62.2% voter approval.

Proposition 39 includes a number of requirements the sponsoring school district must meet before a measure can go before the voters. The Los Alamitos Unified School District had to provide in advance of the election a complete and detailed list of all projects to be undertaken with bond funds. Proposition 39 also includes a number of requirements the sponsoring school district must meet after a measure is approved.

CITIZENS' OVERSIGHT COMMITTEE

Proposition 39 requires the sponsoring school district of an approved measure to establish a Citizens' Oversight Committee to oversee, monitor and inform the public concerning the expenditure of general obligation bond revenues. The Citizens' Oversight Committee must provide annually a report of how bond funds were used in the past year. This is the Los Alamitos Unified School District Measure K Citizens' Oversight Committee's annual report for the calendar year 2012.

The committee is to consist of seven members to serve for a term of four years without compensation, and for no more than three consecutive terms.

Citizens' Bond Oversight Committee for the 2008 Measure K ANNUAL REPORT FOR 2012

The committee must include:

- A. One member who is active in a business organization representing the business community located within the school district.
- B. One member active in a senior citizens' organization.
- C. One member who is a parent or guardian of a child enrolled in the school district.
- D. One member who is both a parent or guardian of a child enrolled in the school district and active in a parent-teacher organization; and
- E. One member who is active in a bona fide taxpayer's organization.

The Committee is currently made up of the following individuals:

<u>Member</u>	<u>Represent</u>
Chuck Anderson	At-Large Community Member
Dr. James Oliver	Active Member Senior Citizens Group
Fabiana Frasca	Parent of School District Student
Jim Arakawa	Active PTA/Site Council Member
Marco Navarro	Business Representative
Nancy Nien	Member of Taxpayer Organization
Russell Triplett	Chairperson; At-Large Community Member

The Los Alamitos Unified School District's School Facilities Improvement District No. 1 Citizens' Bond Oversight Committee met on the following dates:

- March 28, 2012
- October 10, 2012
- January 30, 2013

It is planned that at the April 23, 2013 regular meeting of the Board of Education, the Committee will present the 2012 Annual Report of the Citizens' Oversight Committee.

BUDGET

Following are two charts which represent the current budgets expressed both by school and by expense categories as they stand on March 14, 2013:

REVENUE

Los Alamitos Unified School District completed the sale of \$27,037,815 in Certificates of Participation (COPs) in June 2012. These 30 year bonds can be repaid by the special tax of the CFD No. 90-1 of the District that was established on April 3, 1990, which currently does not have any outstanding Mello-Roos Bonds to be repaid or the remaining General Obligation Bond authorization that can be used in 2023 and 2028 to repay portions of the 2012 COPs. The high credit quality of the District continued to be reflected when both our Moody's Aa2 and Standard & Poor's AA- were reaffirmed with notations from the companies' regarding the District's strong financial management, strong reserves and local economy all being factors in the sustained high ratings.

EXPENDITURES

The California Constitution specifically limits the expenditures of bond revenues to: construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities.

As disclosed in the Proposition 39-required annual independent auditor's report, the total amount expended during the 2011-12 fiscal year was \$23,725,588. An itemized list of the expenditures was provided by the Los Alamitos Unified School District accounting staff as additional supporting documentation to the annual audit. The independent accounting firm of Vavrinek, Trine, Day & Company prepared the audit report, *Los Alamitos Unified School District Proposition 39 Review of Election 2008, Series 2009, 2010B, 2010C, 2011D (Measure K) Audit Report, Financial Audit and Performance Audits, June 30, 2012*.

These funds were used for modernization work at Hopkinson Elementary School, Rossmoor Elementary School, Lee Elementary School, and Los Alamitos High School; and planning and design of modernization projects at Oak Middle School, Weaver Elementary School, Los Alamitos Track and Field, Laurel High School, and the District Office.

For Rossmoor Elementary School, Hopkinson Elementary School, and Los Alamitos High School, the funds were used for the following categories: Site preparation, including engineering, environmental review and testing; planning, including architects and Division of State Architect review; construction, including construction manager, temporary facilities and utilities. In addition, there were costs for State of California required inspections and furniture and equipment.

For Oak Middle School, Weaver Elementary School, and the Los Alamitos High School Track and Field Project, the funds were used for the following categories: Site Preparation, Planning, including architects and Division of State Architect. As of December 31, 2012, no construction had begun at any of these upcoming projects.

Citizens' Bond Oversight Committee for the 2008 Measure K ANNUAL REPORT FOR 2012

TIMELINE

Below is a table summarizing the projected timelines for planned projects under Measure K:

Site	Begin Architectural Drawings	Submit Drawings to DSA/Projection of when Contractor Selection Process will be Completed	Projected Start Date of Construction at Site	Projected Construction Completion
McGaugh Elementary (Phase VI)	December 2008	June 2009	September 2009	January 2010
McAuliffe MS	December 2008	June 2009	June 2010	August 2011
LAE	December 2008	June 2009	June 2010	August 2011
Rossmoor Elementary	December 2009	June 2010	June 2011	August 2012
Hopkinson Elementary	December 2009	June 2010	June 2011	August 2012
Lee Elementary	December 2010	June 2011	June 2012	August 2013
LAHS Gym	December 2010	June 2011	June 2012	January 2013
Oak MS	December 2011	June 2012	April 2013	November 2014
Weaver Elementary	December 2011	June 2012	June 2013	November 2014
LAHS Track & Field	January 2011	July 2012	May 2013	November 2013
District Office	December 2012	September 2013	September 2014	July 2015

NOTE: These projected timelines will change based on final dates of approval by the Division of State Architect (DSA) and the process used to obtain the General Contractor. The General Contractor, once approved by the Board, determines the final construction schedule for each site. While we have taken every effort to consider variables within the schedule, the final timeline will be adjusted due to a number of outside factors.

AUDIT

Proposition 39 requires that the sponsoring school district, of an approved measure, conduct an annual independent performance audit to ensure that bond funds have been expended only on the specific projects included on the list of projects the district was required to provide before Measure K was presented to the voters.

Proposition 39 also requires that the school district conduct an annual independent financial audit of the proceeds from the sale of the bonds until all of the proceeds have been expended for the school facilities projects.

The annual audit of the Los Alamitos Unified School District's Measure K bond expenditure was conducted by Vavrinek, Trine, Day & Co., an independent auditing firm. In the firm's report of that audit it states, "In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Building Fund of the District at June 30, 2012, and the changes in financial position thereof for the year then ended in conformity with accounting principals generally accepted in the United States of America."

Citizens' Bond Oversight Committee for the 2008 Measure K ANNUAL REPORT FOR 2012

Vavrinek, Trine, Day & Co. also conducted a review of the expenditures for the period ended June 30, 2012, and their review did not reveal any items that were paid from the general obligation bond funds that did not comply with the purpose of the Bonds that were approved by the registered voters of the District on November 4, 2008.

The audit report was presented by an accountant of Vavrinek, Trine, Day & Co. for review to the Citizens' Bond Oversight Committee at its January 30, 2013 meeting. This report is available online or upon request at the Los Alamitos Unified School District's Business Office, 10293 Bloomfield Street, Los Alamitos, California.

WEBSITE

Proposition 39 requires the sponsoring school district of an approved measure to establish a website dedicated to bond matters. All documents received by the Citizens' Oversight Committee and all reports issued by the Committee are a matter of public record and are made available on the District's website.

That website can be found at the Los Alamitos Unified School District homepage at www.losal.org. By clicking on "Bond Information", visitors will find all available documents presented to the committee, including:

- Meeting agendas
- Meeting minutes. Minutes of a meeting cannot be provided until they are approved by the Committee.
- The "Project List" of all bond projects required prior to Measure K going before the voters
- California Education Code Provisions for Citizens' Oversight Committees
- Reports and other documents prepared and presented to the Committee

CONCLUSIONS

The Los Alamitos Unified School District's Measure K Citizens' Bond Oversight Committee has met and reviewed the report of the audit of bond expenditures conducted by Vavrinek, Trine, Day & Co. for the fiscal year ending June 30, 2012. The report and the Citizens' Bond Oversight Committee website can be found on the Los Alamitos Unified School District's webpage at www.losal.org.

The Oversight Committee finds the Los Alamitos Unified School District to be in compliance with the requirements of Article XIII A, Section 1 (b)(3) of the California Constitution.

Russell Triplett, Committee Chair
Chuck Anderson, Committee Vice Chair
