The Roofing services under this contract shall be for miscellaneous Roofing work, on an as needed job specific basis for the Participants and their **locations listed on Appendix B**.

1.2 The proposal shall establish hourly labor rates based upon the Prevailing Wage Rates for NYS for various trades covered by Roofing services.

1.3 The Participants reserve the right to add to, or remove from, the contract at any time using Organizations, Departments, Agencies and School Districts **when mutually agreeable with the awarded vendor(s)**.

2. AMENDMENTS TO BID:

Any verbal information obtained from or statements made by representatives of Wayne-Finger Lakes BOCES or the Participants at the time of examination of the documents or site shall not be construed as, in any way, amending contract documents. Only such corrections or addenda as are used by the BOCES in writing to all Contracts shall become a part of the Contract. Any addendum issued during the time of bidding shall be included in bids and become a part of the Contract Agreement.

3. DESCRIPTION OF BOCES:

3.1 The Board of Cooperative Educational Services (BOCES) was created by New York State legislation in 1948. Today, there are thirty-eight organizations in the State. Each has its own governing board, elected by members of the Boards of Education of the component districts. The primary purpose of the BOCES is to provide services to two or more member districts more effectively and economically than one district could provide alone. Each year, the component districts request the services they want their BOCES to provide in the following year. The various requests for services and programs are assembled into an operating plan along with the associated budget. The State Department is required to approve all services before they can be provided to districts. Legal contracts are drawn up and approved by the district, the individual BOCES and the Commissioner of Education.

3.2 BOCES is an educational agency of the State, and must, therefore, adhere to all laws and regulations of the State of New York, which govern the public schools in the State, as well as regulations controlling the BOCES. BOCES receives most of its money from the member districts. In return, the member districts receive BOCES aid based on their relative wealth and need for the service. The various BOCES operate many programs. Generally, the largest programs are associated with Career & Technical and Special Education.

3.3 Wayne-Finger Lakes BOCES covers a four county region and supports 25 component school districts. Students served by BOCES are provided instructional programs including Career and Technical education, programs for children with handicapping conditions, and Adult Education.

4. BOCES' RESPONSIBILITY:

Although this bid was issued, evaluated, and awarded by the Wayne-Finger Lakes BOCES at the request of the Participants, BOCES' liability under contract is limited to coordination and BOCES issued purchase orders only. Participants are required to generate their own purchase orders (to the successful vendors) in accordance with the bid provisions and the attached schedule of awards.

5. PARTICIPANTS' RESPONSIBILITY:

Purchase Orders will be issued to the designated vendor(s) by the participants listed, authorized in accordance with established Municipal Accounting Practices. Those districts are solely responsible in contract for obligations entered into with the vendor(s).

Any contract resulting from this bid shall be for a term not to exceed (12) twelve months or less from the date of award. Wayne-Finger Lakes BOCES reserves the right to renew any contract resulting from this bid for up to (2) two additional (12) twelve month periods or less by mutual agreement in accordance with the terms of the contract.

7. SHORT TERM EXTENSION:

In the event the replacement contract has not been issued, any contract let and awarded hereunder by the BOCES, may be extended unilaterally by the BOCES for an additional period of up to one month upon notice to the contractor with the same terms and conditions as the original contract including, but not limited to, quantities (prorated for such one month extension), price, and delivery requirements. With the concurrence of the contractor, the extension may be for a period of up to three months in lieu of one month. However, this extension terminates should the replacement contract be issued in the interim.

The Participants reserve the right to purchase goods and services from any avenue legally available by NYS law throughout the duration of any contract resulting from this bid.

9. JUDGEMENTS/LEGAL FINDINGS:

By submitting this bid for consideration, the vendor affirms that they currently have no judgments or other legal findings against the company of any of its executives, with any federal, state or local governmental entities that in any way could impact or have the potential to impact their ability to complete any contract awarded them as a result of this bid. 11. OBLIGATION OF BIDDERS:

11.1 At the time of the opening of the bids, each bidder will be presumed to have read and be thoroughly familiar with the contract documents. Additionally, Bidder/Contractor is advised that should it seek to renew or extend a Contract awarded in response to the solicitation, it must provide the same certification at the time the Contract is renewed or extended.

13.2 During the term of the Contract, should Wayne-Finger Lakes BOCES receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, BOCES will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then BOCES/Participants shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, seeking compliance, recovering damages, or declaring the Contractor in default.

13.3 The Participants reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

Every unit delivered shall be guaranteed against faulty material and workmanship for a period of twelve months unless otherwise specified. If, during this period, such faults develop, the unit(s) or part(s) affected shall be replaced without any cost to the Participant(s). When the manufacturer's standard guarantee for the complete unit or any component thereby exceeds twelve months the longer guarantee period shall apply.

15. EXCULPATORY CLAUSE:

Issuance of a purchase order by the Participant(s) indicates that the Participant(s) currently has and has set aside adequate funds to procure the goods and services indicated in the purchase order or contract. Should it become necessary for the Participant(s) to cancel a project or purchase after an order to proceed or purchase order has been issued, the Participant(s) will only be liable for and the vendor agrees to only assess those financial damages that it can prove to have incurred as a result of the cancellation.
