Shireland Technology Primary is a brand new two form entry Primary school aiming to provide an outstanding education to local pupils. To ensure that this is fulfilled, a high standard of technical and learning support is of paramount importance.

We are seeking a hardworking and committed employee who shares in our passion of utilising technology to make a difference to the lives of children. A good command of the English language, strong communication skills and relevant qualifications and experience are paramount for the successful candidate.

We are looking for someone who is dynamic and passionate about how technology can have impact on school life and therefore the outcomes for our children; someone who has a collaborative and friendly disposition who can work as part of a team and will take initiative; someone who can work with us to achieve our aims of providing the very best technology enabled education opportunities for pupils and staff.

As a Technology Primary, we place high precedent on IT skills and the skills to support and guide staff and for the right candidate we would provide further support to enhance current experience and knowledge.

The Shireland Collegiate Academy Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.

Closing date: 8.00am Wednesday 1st July 2020

Interviews: Friday 3rd July 2020
