

Hebron Academy Course Offerings

Academic Year 2020-2021

At Hebron Academy, students are at the center of learning. Hebron Academy follows an education model based on student-centered teaching and learning. Through a comprehensive liberal arts curriculum and a range of electives, we develop students who have a breadth of knowledge, who gain a greater understanding of themselves, and who have boundless confidence ensuring lifelong curiosity and success. Graduates leave Hebron prepared well for higher education in top colleges and universities. Hebron Academy strives to graduate students who are: effective communicators, adaptable learners, responsible global citizens, and poised to lead.

Science: 2 credits with labs (3+ recommended)
History: 2 credits (3+ recommended)
World Language: 2 credits (3+ recommended)
Visual & Performing Arts: 1 credit (2+ recommended)
Electives: 4 credits

Course Selection

Course selection depends on many factors. Previous courses completed, prerequisites, past performance, interest of the student, and college goals will be taken into consideration when determining course selection. The below is a sample course progression, by no means applicable to all. Students are encouraged to speak with others for guidance (teachers, department chair, advisor, college counselor, Dean of Academics, Academic Guidance, parents).

Math, ESOL, and language classes are proficiency-placement based. For example, if Algebra 1 was completed in middle school, freshmen begin with geometry. All new international students are tested for proficiency upon arrival in the fall to determine math and language course levels.

Course descriptions can be found on the school's website.

Freshman

Humanities English
Humanities History
Conceptual Physics
Math (placement based)
World Language (placement based)
Studio Art 2D

Sophomore

World Literature (regular or honors)
World History (regular or honors) | elective
Chemistry (regular, honors, or AP)
Math (placement based)
World Language (placement based)
Arts | elective

Junior

American Literature (regular, honors, or AP)
US History (regular, honors, or AP)
Biology (regular, honors, or AP)
Math (placement based)
World Language (placement based)
Arts | elective

Senior

British Literature (regular, honors or AP comparative literature)
History | elective
Physics (regular or AP) | elective
Math (placement based)
World Language (placement based)
Arts | elective

Post Graduate

PG English (or AP Lit)
Math
Electives for all other courses if grad requirements have been met

ESOL (placement based)

Foundations → Advanced → Critical Reading, Writing, & Discussion → Mainstreamed Courses

The goal of our academic program at Hebron Academy is to graduate seniors who are:

- **effective communicators;**
- **adaptable learners;**
- **responsible global citizens; and**
- **poised to lead.**
