- Welcome
- Approval of minutes from last meeting

Changes were suggested to V. and C.

V. Teachers will need to provide a product (*for example*, curriculum map, badges, lessons, and be accountable to the hours through a form)

C. To remove the teacher *sub* planning day per quarter and instead do 1-2 additional contract days at the start of the school year.

Motioned and Approved

A. School Improvement Plan

I. SIP reviewed

- The legislature has proposed funding for Acadience licenses for K-6. If this is not passed, Acadience provides a report for \$1/kid that Adrienne will pay for so that all kids' data will be tracked.
- We will begin providing parents a letter that better explains the Acadience Home Connection Letter.
- District Projection: 33 ½ down to 31 FTE, 28 Kindergartners per class. We can buy half of our cheapest teacher at \$35,000 which would allow Kinder numbers to be around 21.
- Suggestion for next year will be to have LCMT and DATA team meetings happening at the Grade Level PLC Meetings.
- CMI Lesson Study explained for parents.
- Added Goal #3 Social Emotional Learning, staff will be trained using Pure Edge, Inc. We could use TSSP funds to buy out the counselor's salary in order to make her an FTE. Spaces for students are set up already in Kennett's, and Glead's offices. Additional spaces will need to be set up. Daily mindful minutes will be encouraged.
- Motion to approve by Katie. Motion Approved

B. Safe and Digital Citizenship

- I. Report on NetSmart Assembly- Mrs. Affleck will review it with students. Video was improved.
- C. Other
- I.
- D. Advice & Recommendations
- I. Comments, Concerns or Recommendations from Council Members
    - We would have to grow by about 50 -100 kids schoolwide to get another ½ FTE
    - Could we pay for a portion of an FTE and use TSSP for the remainder
    - New copiers 11,000 – school improvement funds cannot pay for them, move the 2<sup>nd</sup> oldest copier to the south end.

Comments: Concerns about the background checks: information is coming shortly.

- Next meeting: Tuesday, April 7, 2020 at 4:00 PM in the library.
