      - \$35,000 to buy half a Kindergarten Teacher.
      - 106 Kinder students. We usually have 80 this time of year.
      - If numbers increase and District gives us that FTE, we might need to change this.
      - Extra money will be used to upgrade sound systems. Prioritizing younger grades. It would cost \$42,000 to fund every classroom's sound system.
      - CMI cancelled for the rest of the year.
      - Next year we will have a Social Skills Behavioral Support Coach.
      - With TSSA funds we bought out ½ counselor pay at \$43,100.
      - We may get a fulltime counselor from district in which case we would put that money back and might be able to fund a teacher.
      - 7 Professional people next year at \$4,300 to implement mentoring.
