

Lower School (K-5)

Early Bird, Extended Day and After School Enrichment Programs

Early Bird: This program is offered for students who must arrive at school prior to 8:00 am and runs from 7:30 am to 8:00 am each day. This program may be used on an as needed basis, and there is no charge for this program. Please note that although children are in school, they are not permitted to go to their classroom prior to 8:15 am unless supervised by a teacher.

Extended Day: Extended Day is offered for students who are unable to be picked up from school at the regular dismissal time and runs daily from dismissal until 6:00 pm. Please note: on days when school has an early dismissal, Extended Day will not be offered. Each day, the students assemble in the Commons where a snack is provided. Students are then engaged in a homework session and are given assistance, if needed, by a supervising teacher. Upon completion of their homework, the children are given opportunities to interact with each other and participate in supervised games and activities. Extended Day is available on an as needed basis. Parents who would like to enroll their child in Extended Day, should notify their child's homeroom teacher in writing on that day. Parents will be billed for this service at a rate of \$20 per hour every trimester.

Enrichment Programs: The primary goal of the Enrichment Program is to support Birch Wathen Lenox's educational and developmental philosophy for Lower School students through a continuation of the school experience. The Enrichment Program offers a variety of services that enable children to flourish as individuals while meeting parental concerns for quality before and after school care, supervision, enrichment, and recreation. All After School Enrichment classes will begin at 3:15 pm Monday through Thursday and at 2:15 pm on Friday.
