LAKE WASHINGTON SCHOOL DISTRICT No. 414
and
LAKE WASHINGTON SCHOOL DISTRICT TRADES BARGAINING COUNCIL
August 16, 2019 through August 15, 2022

THIS AGREEMENT is by and between the LAKE WASHINGTON SCHOOL DISTRICT NO. 414, hereinafter referred to as the Employer or the District, and the LAKE WASHINGTON SCHOOL DISTRICT TRADES BARGAINING COUNCIL, hereinafter referred to as the Council.

The parties agree that it has been and shall continue to be in their mutual interest and purpose to promote systematic and effective employee-management cooperation; to execute a written agreement; to confer and negotiate in good faith at reasonable times with respect to grievance procedures and collective negotiations on personnel matters, including wages, hours and working conditions; to promote effective methods for prompt adjustment of differences; and to promote full and reasonable employee participation in such personnel areas as are within the jurisdiction of the Employer.

NONDISCRIMINATION

Neither the District nor the Union shall discriminate against any employee subject to this Agreement on the basis of race, color, national origin, sex, disability, age, gender, marital status, creed, religion, honorably discharged veteran or military status, sexual orientation including gender expression or identity, the presence of any sensory, mental or physical disability, or the use of a trained guide dog or service animal by a person with a disability.

Wherever words denoting a specific gender are used in this Agreement, they are intended and shall be construed so as to apply equally to either gender.

AFFIRMATIVE ACTION

The Council agrees with and supports the concept of affirmative action. Therefore, the parties mutually agree to use their best efforts to ensure that this Agreement will not be in conflict with, or inconsistent with, Title VII and Title IX of the Civil Rights Act of 1964 and/or Washington State statutes.

DEFINITIONS

The following terms and/or words as used within this Agreement shall have the following meanings:

Employee: Any person performing bargaining unit work except substitutes, work normally subcontracted, students and temporarily funded work programs.

Regular Employee: Any person performing bargaining unit work, working on a daily basis and filling a position which entails no less than five (5) calendar months of uninterrupted service per year.

Rehire: Any person who at some time was an employee of the Employer and who again becomes an employee following a period of time in which the employee has been classified as "terminated." Any such person shall have no seniority within the bargaining unit except as it accrues from the most recent date of hire within bargaining unit.

Employer: Either of, or both, the Lake Washington School District No. 414 and/or the Board of Directors of the Lake Washington School District No. 414.

District: The Lake Washington School District No. 414.

Board: The Board of Directors of the Lake Washington School District No. 414.

Council: The Lake Washington School District Trades Bargaining Council.

Affiliate or Union: Any labor organization affiliated with the Lake Washington School District Trades Bargaining Council during the term of this Agreement.

Day or Days: Calendar day or calendar days unless specified otherwise.

Hours Worked: All hours that an employee is in a pay status.

Date of Hire: The most recent date of hire with the Employer.

Longevity: The total time served as an employee of the Employer without an approved break in service.

Terminate (tion, ed, ing): Discharge for just cause, death, direct transfer to a position outside of the bargaining unit, retirement, resignation, illness or injury.

Seniority Date: The date an employee is hired into a classification within the bargaining unit. (An employee's seniority date shall be recognized retroactive to such date only after having completed his/her probation period.)

Substitute Employee: An individual, with the exception of Substitute Bus Drivers, who works on an as-needed basis to replace regular employees on leave. Substitutes shall be considered as part of the bargaining unit after rendering services for thirty (30) workdays in a calendar year and continue to be available for employment as a Substitute. Upon rendering service for thirty (30) work days in a calendar year, Substitutes shall be covered by all articles of the contract except the following: Article 5, Probation, Seniority & Recall Procedures; Article 7, Holidays; Article 8, Vacations; Article 9, Leaves, except as required by law; Article 10, Insurance, except as required by law and Article 15, Discipline/Discharge. Substitutes are covered by Article 16, Grievance Procedure, but not for the purpose of challenging the District's decision to terminate or limit the employment of a Substitute. Substitutes who render sixty (60) working days of service shall accrue seniority for hiring purposes.

Seasonal Employee: An employee hired temporarily to supplement existing staff during the months of May through September. The parties may mutually agree to change or modify the identified months. If unable to mutually agree, the May to September time frame shall prevail. Seasonal employees become members of the bargaining unit after working one-sixth (1/6) time of a full-time employee or three hundred forty-seven (347) hours. Seasonal employees shall be covered by all articles of the contract except the following: Article 5, Probation, Seniority & Recall Procedures; Article 7, Holidays; Article 8, Vacations; Article 9, Leaves, except as required by law; Article 10, Insurance, except as required by law, and Article 15, Discipline/Discharge. Seasonal employees are covered by Article 16, Grievance Procedure, but not for the purpose of challenging the District's decision to terminate the employment of a Seasonal employee.

School Year-Only Employees: An individual who is hired into a ten (10) month or less school-level position and such employment begins after the commencement of second semester. Such employment may be limited to the duration of the school year for which the employee was hired. These employees are covered by all terms of the Agreement except that employment of such employees is limited to the duration of the school year for which they were hired. Nothing precludes the District from hiring such employees for the following school year.

Non-Annual Employee: An employee covered by this Agreement whose work year is less than twelve (12) months per year.

ARTICLE 1 RECOGNITION AND COVERAGE OF AGREEMENT

- Section 1.1** The Employer hereby recognizes the Council as the exclusive representative of all employees in the bargaining unit described in Section 1.3, and the Council recognizes the responsibility of representing the interests of all such employees.
- Section 1.2** Nothing contained herein shall be construed so as to include in the bargaining unit any person whose duties as deputy, administrative assistant, or secretary necessarily imply a confidential relationship to the Board of Directors or superintendent of the District pursuant to RCW 41.56.030(2).
- Section 1.3** The bargaining unit to which this Agreement is applicable shall consist of all classified employees in the general job classifications of Custodial, Facilities Maintenance, Bus Drivers, Substitute Bus Drivers as defined by the Public Employment Relations Commission, Bus/Truck Mechanics and Servicepersons, Truck Driver/Warehousepersons, Mail Messengers and Special Education Para Educators; as specifically set forth within Appendices "A" through "D" as well as substitute employees as defined in the definitions section.

ARTICLE 2 UNION REPRESENTATION

- Section 2.1** Upon the effective date of this Agreement, the Employer will inform new eligible bargaining unit employees of the Council's status as the exclusive bargaining representative. Each employee in a position represented by this Agreement has the right to become a member of the appropriate affiliated union that represents their position.
- Section 2.2** The Employer will provide written notification to the appropriate union within the Council of all new hires subject to this Agreement within five (5) workdays after their first day of hire. Such notification shall include the new employees date of hire, classification, rate of pay, and, where possible, assigned work location. The appropriate union within the Council and/or their representative will be allowed thirty (30) minutes to meet with newly hired employees to discuss union membership. This may occur during monthly New Employee Orientation Meetings or at an alternative time and place as mutually agreed to by the appropriate union and the new employee's supervisor. Participation in such meetings is optional for new employees.

In the event a question exists concerning the jurisdiction of a particular classification, the Employer shall refer the name and classification of the employee within five (5) workdays to the Council president for a decision. This Section shall not be subject to the grievance procedure.
- Section 2.3** Upon receiving a request for authorization of deductions of dues from an employee's exclusive representative, the Employer shall deduct from the employee's salary membership dues and any additional amounts the employee has authorized such as initiation fees, delinquent dues and/or delinquent initiation fees as well as any authorized deductions for political purposes (i.e., COPE). The Employer shall transmit all such funds deducted to the appropriate union within the Council on a monthly basis, keeping segregated and issuing separate checks for union dues by the appropriate categories of employee classifications as set forth and identified in each of the appendices of the Agreement.

Upon receiving authorization to revoke the deduction of dues and any additional amounts for an employee provided by their exclusive representative, the Employer will stop the deduction effective the first payroll after receipt of such notification but in all cases no later than the second payroll after notification.

Section 2.3.1 The Council and its affiliated unions shall indemnify, defend and hold the Employer harmless against any claims, demands, and suits instituted against the Employer resulting from any reasonable action taken or omitted by the Employer for the purpose of complying with the provisions of this Article. The Council and its affiliated unions agree to refund to the Employer any money paid to them in error due to application of this Article upon presentation of proper evidence thereof.

Section 2.3.2 The Council shall refund to the Employer any amounts paid in error under this Section 2.3. If the Council, one of its representatives, or one of its affiliated unions is found to be in violation of state or federal laws as it relates to the provisions of Section 2.3, the Council shall compensate the Employer for all legal fees incurred by the Employer in regard to such violation.

Section 2.4 Duly authorized representatives of the Council may visit the work location of employees covered by this Agreement at a reasonable time for the purpose of investigating grievances. Such visitations shall be at times so that the educational and supportive programs are not disrupted. Such representative shall limit his/her activities during such investigations to matters relating to this Agreement. Work hours shall not be used by employees and/or representatives for the conduct of union business or the promotion of union affairs other than hereinbefore stated. Representatives shall, during employee work hours, notify the supervisor in charge of the work location of his/her presence prior to visiting employees. Council representatives may request to be present during District presented training/in-service sessions. Such requests will be granted provided that Council representatives' attendance in any training/in-service session is that of a silent observer and not that of a participant. Council representatives who fail to comply with these terms will be asked to leave and will not be granted access in the future.

Section 2.5 A shop steward may be appointed in the various departments affected by this Agreement. Immediately after appointment of its shop steward(s), the Council shall furnish the affected department(s) of the Employer with a list of those employees who have been designated as shop stewards. Said list shall be updated as needed. Stewards shall be employees and shall perform their regular duties as such but shall function as representatives on the job to assist and inform the Council of any alleged violations of this Agreement and assist in the employee investigatory process and assist in the processing of grievances relating thereto.

Section 2.5.1 The steward shall be allowed reasonable time, at the discretion of the Employer and in collaboration with the appropriate union of the Council, to assist in processing contract grievances, participation in employee investigations, and distribution and collection of union membership materials during regular working hours. Shop stewards shall not be discriminated against for making a complaint or giving evidence with respect to an alleged violation of any provision of this Agreement but under no circumstances shall the shop steward interfere with orders of the Employer or change working conditions.

Section 2.6 **Public Records Request** - If the District receives a public records request for personal information for any or all of the individuals within the bargaining group covered under this contract, the District shall notify the Council or the exclusive representative of the specific union for which the information is requested as-soon-as-possible and prior to the release of the requested information.

ARTICLE 3 RIGHTS OF EMPLOYEES

Section 3.1 Employees in the unit defined herein shall have the right and shall be protected in the exercise of that right to freely and without fear of penalty or reprisal, join and assist the Council.

ARTICLE 4 RIGHTS OF THE COUNCIL

Section 4.1 The Council shall have the right to represent all employees in the bargaining unit, to present its views to the Employer on matters of concern either verbally or in writing; and to enter collective negotiations with the object of reaching an agreement applicable to all employees within the unit.

Section 4.2 Upon request, the Employer shall provide the duly authorized representative of the Council any reasonable information regarding each employee in the bargaining unit and all appropriate costs in obtaining such information shall be paid for by the Council.

Section 4.3 **Bulletin Boards**

The Council may post appropriate notices of interest to employees on designated workplace bulletin boards. Duly authorized representatives of the Council must provide the administrator of the workplace the notice to be posted, with the time frame for posting.

Section 4.3.1 The responsibility for the prompt removal of notices from the bulletin boards after they have served their purpose shall rest with the authorized representative of the Council who provided the posting.

Section 4.4 **District Mail System**

The Council and its affiliated unions shall have the right to use the Employer's inter-District mail system for a reasonable volume of appropriate announcements relating to the conduct of union business on behalf of the union members. Such materials shall not contain anything political or reflect adversely upon the District, any of its employees or any labor organization amongst its employees. This use includes the use of District email as long as such email use is compliant with District policies and procedures.

ARTICLE 5 PROBATION, SENIORITY & RECALL PROCEDURES

Section 5.1 **Probation** - All new employees covered by this Agreement shall be on probation for ninety (90) workdays. Within the first ninety (90) workdays of employment or less, the employee shall be evaluated by his/her immediate supervisor. If upon evaluation by his/her immediate supervisor, approval is not rendered, the employment of the probationary employee shall be terminated. Such termination shall not be subject to the grievance procedure.

The supervisor should communicate in writing to the probationary employee any identified performance concerns that could lead to termination during the probationary period. Failure to provide written performance concerns is not grievable nor will it limit the Employer from terminating the employee.

If such approval is rendered, recommendation for permanent employment shall be transmitted through proper channels. In either case, such action shall take place and the employee shall be notified of such action prior to the ninetieth (90th) workday following the employee's date of hire. Probationary employees, except for probationary substitute bus drivers, shall not be transferred or promoted into new positions until completion of their probationary period.

Section 5.1.1 The probation period for a substitute bus driver shall begin on the first workday such driver begins transporting students. Substitute driver's probation shall be for forty-five (45) workdays and regular drivers shall be on probation for a period of ninety (90) workdays. While on probation, should a substitute be hired into a regular position, such employee's probation shall be extended for a period equal to ninety (90) workdays, the equivalent of a regular driver. All regular drivers will serve a ninety (90) workday probationary period.

Section 5.2 **Seniority** - The seniority of an employee within the bargaining unit shall be recognized only following the employee's removal from probation status. Upon removal from probation status the employee's seniority shall then be established as having commenced retroactive to the employee's first day of work within the bargaining unit (hereinafter referred to as the employee's "date of hire"), excepting in those instances when such seniority shall have been lost as herein provided. Should two (2) or more employees possess the same date of hire, the employee with the earliest application date for that position shall be considered senior. Should two (2) or more employees possessing the same seniority date also have the same application date, alphabetical rank of surname A through Z shall apply; provided however, that no employee's seniority shall be changed as a result of a change of name. During the ninety (90) workday probation period, the retention of an employee shall be entirely within the discretion of the Employer.

Section 5.2.1 The classification seniority rights of an employee in the bargaining unit shall be lost for the following reasons:

- Termination.
- Failure to return to work in answer to a callback from layoff.
- Change in job classification within the bargaining unit as hereinafter provided.

Section 5.2.2 Seniority of a regular employee of the bargaining unit shall not be lost and shall continue to accrue under the following conditions:

- Time lost due to industrial accident or industrial illness.
- Time lost due to jury duty.
- Time lost due to leave of absence granted for induction, enlistment, or active duty in the Armed Forces of the United States, or service in the Merchant Marine, under any act of Congress which provides that the employee is entitled to re-employment.
- Time spent on other authorized leave(s).

Section 5.3 **Filling of Vacancies** – The Employer will continue with the current practice regarding job postings. Notices of position vacancies which occur within the bargaining unit which cannot be filled by a qualified surplus employee shall be posted on the District's website using the on-line application system. Upon written request, all job postings will be distributed to the concerned affiliate local union. The Employer shall not fill any vacancy with a substitute employee for longer than fifty (50) work days except that this fifty (50) work days shall become sixty (60) work days for the months of May, June, July and August; provided however, this sixty (60) work day period shall not in any event extend beyond October 31 of any year. This section shall apply to all employees covered by this Agreement unless modified in the attached appendices.

Section 5.3.1 In order to become eligible for consideration of a position vacancy, an employee shall submit a completed position application form to the district Human Resource Office within the designated open period.

- Section 5.3.2** Employees interviewed and not selected for a position in the bargaining classifications contained herein shall be notified of their non-selection prior to the selectee's first day of work in the position for which they had applied.
- Section 5.3.3** The employee with the earliest seniority date who is fully qualified to perform the work involved and who has fulfilled the requirements as set forth in Section 5.3.1, shall fill the vacant position when ability and performance are substantially equal to those who sought the vacancy by complying with those same requirements. Where it can be clearly substantiated that either a junior employee who has applied or an employment applicant possesses a greater ability and prior work performance record, the Employer may then fill the position with such person in which case the Employer shall set forth to the person and the union in writing upon written request from a senior eligible applicant, the reasons why that senior person was not placed into the position vacancy. Such factors as poor attendance and poor work performance shall be considered by the Employer in administering this section. This section shall apply to all employees covered by this Agreement unless modified in the attached appendices.
- Section 5.3.3.1** When an incumbent is promoted or assumes a new position; he/she may be placed on trial for forty-five (45) workdays until he/she proves themselves capable of handling the new position. Before the completion of the forty-five (45) day period, either the employee or the administrator may determine that the assignment is not acceptable. If such determination is made, the employee shall return to the position held immediately prior to the assumption of the new position except as may be modified in attached appendices.
- Section 5.3.3.2** Should, in accordance with Section 5.3.3.1, an employee return or be returned to the position they previously held, the employee who is displaced will be placed back into their former position. If the former position was as a substitute, the displaced employee will be placed back as a substitute. Employees subject to such change in placement/assignment will be given at least ten (10) days' notice prior to the effective date of the change.
- Section 5.3.4** When two (2) employees subject to this Agreement are moved as the result of one initial posted vacancy, subsequent vacancies which may occur, shall be filled at the discretion of the Employer; provided, however, all custodial lead positions shall be subject to the position application procedures set forth herein.
- Section 5.4** The employee with the earliest seniority date within a given group of classifications as is enumerated in Section 5.6.8, shall have preferential rights regarding shift selection, vacation periods, special services, scheduled overtime or call-back overtime, selection of routes (routes determined by transportation supervisor), and extra transportation trips as hereinafter provided.
- Section 5.4.1** Employees designated as "lead" may be assigned shifts by the Employer, not subject to the selection process identified in 5.4 above, to accommodate work assignments specific to their role as lead. Such shifts may begin or end no more than one and one-half (1-1/2) hours before or after the shifts of other employees in their shop.
- Section 5.5** An employee who changes job classifications within the bargaining unit shall be on a trial period in accordance with Section 5.3.3.1; provided, however, said employee shall retain their previous classification seniority. Such previous classification seniority, however, shall not continue to accrue. Employees' district seniority shall accrue for employment in any classification held in the bargaining unit and shall be used for the purposes of sick leave and vacation leave accruals.

Section 5.6 **Layoff, Bumping, and Recall Rights** - Seniority for purposes of layoff, bumping and recall rights shall be defined as follows:

- "Classification seniority" shall be defined as an employee's total length of service within a classification group identified within Section 5.6.8.
- "Bargaining unit seniority" shall be defined as an employee's total, unbroken, combined length of service worked within any classification covered by this Agreement.
- "District seniority" shall be defined as an employee's total, unbroken, combined length of service worked within any classifications while employed by the District.

Section 5.6.1 **Layoff Procedure** - The employee with the earliest seniority date within a given group of classifications as is enumerated in Section 5.6.8 shall have preferential rights regarding layoffs when ability and performance are substantially equal to those individuals less senior. Seven (7) days prior to the official notification of layoff to the employee, the Employer will notify the Lake Washington School District Trades Bargaining Council (LWSDTBC) and the affected employee's union. With respect to bus driver positions, the Employer will notify the LWSDTBC and affected employee's union, to the best of their ability, seven (7) days prior to the effective date of any FTE reduction.

Section 5.6.1.2 **Notification to Non-Annual Employees** - Should the Employer decide to discharge any non-annual employee, the employee shall be so notified in writing when employment needs are known. This section is intended to be applicable to those employees whose duties necessarily imply less than twelve (12) months of work (excluding vacations) per year.

Section 5.6.2 All temporary, assistant and probationary employees within the given group of classifications affected shall be laid-off prior to the layoff of any regular employees.

Section 5.6.3 Where two (2) or more employees have the same classification seniority, the employee with the greater length of bargaining unit seniority shall be considered to be the more senior.

Section 5.6.4 Where two (2) or more employees have the same classification seniority and the same bargaining unit seniority, the employee with the greatest length of district seniority shall be considered to be the more senior.

Section 5.6.5 **Bumping Rights** - An employee who becomes displaced due to a reduction in workforce shall be permitted to use his classification seniority to displace or "bump out" a less senior employee occupying his/her same classification or a less senior employee occupying a different classification within his same classification group; provided, the employee is currently qualified to perform the work and his ability and performance are substantially equal to the individual less senior. Or, the employee shall be permitted to displace or "bump out" the least senior employee occupying a position within a given group of classifications (except substitute bus drivers) within which the bumping employee had previously attained seniority status; provided, however, the time he had previously spent within that classification group shall have been longer than that of the least senior employee about to be displaced. Bumping into previous classifications shall be in order of the position last held. If the employee's classification seniority is not greater than the least senior employee in the affected classification, the displaced employee may continue to bump back to previously held classifications in chronological order of positions held until such time that he/she is placed or the eligible classifications

are exhausted. Employees who decline the opportunity to bump back to a previously held classification shall lose their right to bump or be recalled back into such classification.

Section 5.6.6 An employee who becomes displaced due to another employee's exercise of Section 5.6.5 (or this Section 5.6.6), shall also, in a similar fashion and subject to the same conditions provided for in Section 5.6.5, be afforded the right to displace or "bump out" a less senior employee within his/her same classification or same classification group; or to displace the least senior employee occupying a position within a group of classifications within which the bumping employee had previously attained seniority status.

Section 5.6.7 Employees shall retain all classification seniority, bargaining unit seniority, and district seniority earned in accordance with Section 5.6 above. Employees shall not lose previously earned classification seniority and shall continue to accrue such seniority upon their return.

Section 5.6.8 For purposes of this article, "a given group of classifications" shall be recognized as any of the following classification groups:

Such individual must renew his application for each August, November, February and May thereafter. Failure to make the initial application or renewal application shall preclude the individual from being considered for employment. The District shall make the laid-off employee aware of this provision.

Section 5.6.11 Employees displaced due to a reduction in force shall be recalled in the inverse order of layoff; namely, those laid off last shall be recalled first subject to their ability to perform the work for which they were recalled. Bus drivers on layoff shall be called for substitute work prior to substitute bus drivers.

Section 5.6.12 Individuals shall forfeit all rights to re-employment and all other rights if they refuse an offer of employment to the same or equivalent position. In the event an individual does not accept the position offered within five (5) days of the receipt of the offer, or fails to report for work within ten (10) days of receipt of the offer, the offer of employment shall cease and the individual shall be dropped from the re-employment list.

Section 5.6.13 Individuals on the re-employment list(s) shall keep the Employer notified of their current address and phone number.

ARTICLE 6 **WORK SHIFTS**

Section 6.1 The normal work schedule shall consist of five (5) consecutive workdays, Monday through Friday, followed by two (2) consecutive days of rest (Saturday and Sunday); except for those employees covered by this Agreement designated by the Employer who regularly work on Saturday and Sunday whose normal work schedule shall consist of five (5) consecutive work days plus two (2) consecutive days of rest which shall be treated as their Saturday and Sunday in that order.

Section 6.2 Each employee, where possible, shall be assigned with reasonable advance notice a definite shift with designated times of beginning and ending.

Section 6.3 The workweek shall begin at 12:01 a.m. Monday. Shifts shall be defined as follows:

- First shift—6:01 a.m. to 2:00 p.m.
- Second shift—2:01 p.m. to 10:00 p.m.
- Third shift—10:01 p.m. to 6:00 a.m.

The majority of time worked within the above time frames shall determine the appropriate shift for the employee. The District shall determine the start and stop times of an employee's shift.

Section 6.4 The first shift shall be an eight (8) hour and thirty (30) minute period which shall include a thirty (30) minute unpaid, uninterrupted meal period.

Section 6.5 The second and third shift shall be an eight (8) hour period which shall include a thirty (30) minute uninterrupted meal period. Employees, except those normally working past midnight, shall be compensated at their regular rate or overtime rate, if applicable, plus a premium of twenty-five cents (\$.25) per hour for hours worked between midnight and 6 a.m.; provided that such hours are not scheduled hours. All Head Custodian I positions working a graveyard shift shall receive a shift premium of twenty-five cents (\$.25) per hour for all hours worked between midnight and 6 a.m.

Section 6.5.1 When an employee is moved from one established shift to another (e.g. from first shift to second shift), the employee shall be given a minimum of seven (7) workdays' advance written notice. If an employee receives less than seven (7) workdays' notice, the employee will be compensated at the overtime rate for the number of days to be equivalent to the seven (7) work-day notice period.

Section 6.6 Each employee shall be given fifteen (15) minutes of rest for each four (4) consecutive hours of work, the time of starting each such rest period to be reasonably designated by the Employer.

Section 6.7 All hours worked in excess of forty (40) hours in any one (1) week shall be compensated at the overtime rate of one and one-half (1-1/2) times the rate on the applicable salary schedule. In addition, all hours worked in excess of eight (8) hours in any one (1) day, excepting bus drivers and/or employees working under a four/ten (4/10) hour day work schedule which has been mutually agreed to between the District and the Council, shall be compensated at the overtime rate of one and one-half (1-1/2) times the rate on the applicable salary schedule. "Incidental overtime" occurs when a normal work assignment goes beyond the end of a shift because of unforeseen problems. This type of overtime is not subject to assignment by seniority, but is worked by the employees completing the assignment.

Section 6.7.1 An employee shall receive callback pay in those situations where he/she is called to work for a period that is not contiguous to his/her regular assigned working time. This excludes all scheduled overtime.

Section 6.7.2 An employee called back to work shall receive a minimum of two and one-half (2-1/2) hours compensation and the employee shall receive two (2) times their hourly rate of pay. The minimum hours of callback shall include such reasons as checking the buildings during cold weather, vandalism, accidents or other reasons deemed necessary by the employee's supervisor.

At the time of separation from school district employment due to retirement or death an eligible employee or the employee's estate shall receive remuneration at a rate equal to one (1) day of current monetary compensation of the employee for each four (4) full days accrued leave for illness or injury. Use of emergency leave shall be charged against the employee's accrued sick leave and shall be non-accumulative. Some examples of situations that qualify for emergency leave are:

- Serious illness in the immediate family including providing transportation for emergency medical care and making arrangements for emergency care.
- To attend the delivery of his/her child (refer to definition of Immediate Family/Household Member).

The Employer may require a doctor's certification that the employee is able to continue to work prior to the temporary disability leave without jeopardizing the employee's health or the safety of others.
- Section 9.7.2** Expiration of the temporary disability leave shall be when the employee's attending physician confirms the ability of the person on temporary disability leave to resume the duties of the assigned position. The Employer may, in its discretion and at its own expense, have the employee examined by a doctor of the Employer's choice at any time.
- Section 9.7.3** Upon expiration of temporary disability leave, the employee shall be assigned to the same position, or to an equivalent position, occupied before the leave, if such leave is granted due to a job-related injury, or the leave does not go beyond ninety (90) calendar days if granted for other reasons. Any employee who returns from a temporary disability leave, other than leave granted due to a job-related injury, which exceeds ninety (90) calendar days shall be assigned to a proper vacancy when one becomes available. ARTICLE 10 INSURANCE

The parties agree that the existing insurance provisions identified in Article 10, Insurance, Section 10.1 through and including Section 10.5 will remain in effect through December 31, 2019. Effective January 1, 2020 Employer shall be in compliance with applicable Washington State Law(s) related to healthcare benefits for school employees as established by the School Employee Benefit Board (SEBB) and as administered by the Washington State Healthcare Authority (HCA) and/or similar statewide jurisdictions.

Section 10.1 Insurance - The Employer shall provide for all employees on a "full-time equivalent" (FTE) basis, a contribution equal to the state contribution per month for each regular employee who works four (4) hours per day or more for the purchase of certain insurance programs (e.g. hospitalization, medical, dental, salary or long-term disability (LTD) insurance, etc.) for school district employees. "Full-time equivalent" shall mean an employee who is compensated for 1440 hours in a calendar year. Such contributions shall first satisfy the full cost of the dental, life and other mandatory insurance benefits.

Section 10.1.1 The Employer shall increase the amount of contribution provided for in Section 10.1 at such time(s) and by such amount(s) equal to no less than that which is afforded to the Employer by the state for the purchase of certain insurance programs (e.g. hospitalization, medical, dental, life, salary or long-term disability (LTD) insurance, etc.) for school district employees on a "full-time equivalent" basis.

Section 10.2 Any monies provided through state funding for benefits under this article which are not utilized, shall be made available and distributed to the bargaining unit in a manner mutually agreed upon between the Employer and the Council; provided, however, under no circumstances shall such distribution cause the Employer to be out of compliance with state statutes and regulations covering insurance benefits.

Section 10.3 The Employer will supplement the insurance benefit by thirteen dollars (\$13) per FTE per month. This provision will apply to the extent that the state allows the Employer to continue providing these benefit dollars above state allocation levels.

Section 10.3.1 In recognition of the conversion of vacation and holiday to pay for bus drivers and para educators, the Employer will add the following FTE to the benefit pool each month in the corresponding year:

Section 10.3.2 In recognition of the additional hours worked by less than twelve (12) month employees, which is not reflected in their FTE, the Employer will add twenty-eight point five (28.5) FTE to the benefit pool each year.

Section 10.3.3 The monies saved by the District from bargaining unit members utilizing Section 125 Medical Reimbursement and Dependent Care plans will be added to the employee benefit pool. The contributions specified in this Section are effective upon ratification and are not retroactive. The contributions are not an additional amount to be paid by employees whose insurance contributions already exceed the contributions stated above. The contributions do not apply to employees who do not receive medical insurance benefits, but apply only to those employees who receive medical insurance benefits and who otherwise by virtue of plan selection would not be required to contribute an amount equal to or greater than the minimum contributions identified in this section.

Section 10.3.4 The Employer will make every effort to ensure that at the end of each fiscal year the balance of the benefit pool is as close to zero as possible.

Section 10.4 The Employer shall continue to make payments for an employee's medical insurance while he/she is on disability leave for an on-the-job injury for a period not to exceed three (3) months.

Section 10.5 During the life of this labor agreement, the Employer and the Council shall engage in discussions through the District's Standing Health Benefits Committee for the specific purpose of attempting to determine how to provide quality group medical insurance at a more affordable cost.

Effective January 1, 2020 the School Employee Benefit Board (SEBB) will be responsible for the administration of health benefits as it pertains to employees covered under this Agreement. The management of the District and the direction of the work force is vested exclusively in the Employer subject to the terms of this Agreement. All matters not specifically and expressly covered or treated by the language of this Agreement may be administered by the Employer in accordance with such policy or procedure as the Employer from time to time may determine. Management officials retain the right and obligation to determine the method, number and kinds of personnel by which operations undertaken by employees in the unit are to be conducted, including the right to sub-contract work and to designate the work to be performed by the Employer or others and the place and the manner in which it is to be performed, which right shall be subject to the grievance procedure. However, the Employer shall not terminate or reduce the employment of any current employee for the purpose of subcontracting work; and, further, prior to implementation of changes not normally subcontracted, the Employer shall discuss the contemplated changes with the Council. Management officials retain the right and obligation, according to employer board policy, to do the following:

- Direct employees covered by this Agreement.
- Hire, promote, demote, assign, and retain employees of the units and to suspend, discipline, or discharge employees for proper and/or just cause.
- Relieve employees from duty because of lack of work or other legitimate reasons.
- Determine the method, number and classifications of personnel by which operations undertaken by employees in the units are to be conducted.
- Discuss with the Council effecting changes in personnel practices that are of concern to employees within the units.

Section 13.2 Management prerogatives shall not be deemed to necessarily exclude other management rights not herein specifically enumerated.

ARTICLE 14 NO-STRIKE AGREEMENT

Section 14.1 There shall not be authorized any strike, slowdown, or any other stoppage of work by the Council, regardless of whether an unfair labor practice is alleged. The Employer shall not lock out any employee covered by this Agreement. Should a strike, slowdown, or stoppage by the Council member occur, the Council shall immediately instruct its members to return to work. If the members of the Council do not resume as required by this Agreement immediately upon being so instructed, they shall be subject to discipline, including discharge.

ARTICLE 15 DISCIPLINE/DISCHARGE

Section 15.1 The Employer shall not discipline, suspend or discharge an employee without just cause, but in respect to discharge or suspension shall give at least one (1) warning letter of the complaint against such employee (except employees on probation) to the employee in writing and a copy of same to the union, except that no warning letter need be given to an employee before he is discharged or suspended if the cause of such discharge or suspension is for theft, gross insubordination, or drunkenness on duty and/or issues of parallel magnitude.

Employees who are required by the Employer to participate in an investigation shall be notified in writing as soon as reasonably practicable in advance of the meeting date. Said written notice shall clearly state the employee has the right to a union representative.

Employees who are required by the Employer to participate in an investigation meeting outside of their work hours shall be compensated in accordance with the provisions of this Agreement.

Notices of discipline as herein provided shall not remain in effect for a period of more than twenty-four (24) months from the date of issuance of said notices of discipline after which it shall be removed from the employee's personnel file. Warning letters to be considered valid, must be issued within fifteen (15) workdays after the occurrence of the violation or within fifteen (15) workdays of the Employer's knowledge of the violation claimed by the Employer in such warning letter. Suspension and discharge actions will be issued in a timely manner.

However, in accordance with the Washington State Administrative Code (WAC), any discipline administered for sexual misconduct, verbal or physical abuse as

defined in WAC 181-88 may not be removed. The Employer shall conduct all disciplinary investigations in a timely manner.

Section 15.2 Disciplinary actions shall be immediately removed from the employee's personnel file if the complaint is determined to be unfounded.

Section 15.3 The issue of just cause shall be resolved in accordance with the grievance procedure of this Agreement.

ARTICLE 16 GRIEVANCE PROCEDURE

Section 16.1 **Grievance Defined** - A grievance is a claim by an employee that there has been a violation, misinterpretation or misapplication of a specific article or section of this Agreement.

Section 16.2 **Grievance Steps** - Grievances may be processed as hereinafter provided.

Section 16.2.1 **(Step 1) Informal Procedure, Oral Discussion** - The employee shall first discuss the alleged grievance with his/her immediate supervisor. This shall be done within thirty (30) calendar days after the occurrence or knowledge of the occurrence giving rise to the alleged grievance. The employee may have a Council representative present during this discussion. "Immediate supervisor" shall be defined as one who is a member of the District's management staff who is separate and apart from the bargaining unit.

Section 16.2.2 **(Step 2) Grievance Reduced to Writing** - If no settlement has been reached at Step 1, the employee and/or his/her designated Council representative may advance the grievance to Step 2 reducing the grievance to writing on a form provided by the Council, and presenting same to the "next appropriate line administrator." The written statement of grievance must be so presented within ten calendar days of the Step 1 meeting and must contain at least the following:

- Statement of grievance.
- Reference to the article and/or section of the agreement which is claimed to have been violated, misinterpreted or misapplied.
- Remedy sought.

Section 16.2.2.1 The parties shall have ten (10) calendar days from receipt of the written statement of grievance to attempt to resolve the grievance. Within that time, the administrator shall indicate his/her disposition of the grievance on the grievance form and shall furnish a copy thereof to the employee and to the Council. If in the resolution process a meeting is held with the grievant in attendance, a representative of the Council shall be given an opportunity to attend.

Section 16.2.2.2 The "next appropriate line administrator" shall be defined as follows:

- For custodial employees; the operations supervisor.
- For para educators: the director of special education or his/her designee.
- For Facilities Maintenance employees: the director of support services or his/her designee.
- For Transportation employees: the director of support services.

- For truck driver/warehousepersons and messenger employees: the coordinator of business and support services.

Section 16.2.2.3 When it is not possible for a grievant to present his/her grievance within the allowable time period for reasons of absence of the designated administrator, then the grievance may be presented to the Human Resources Department by the employee and/or his/her designated Council representative.

Section 16.2.3 **(Step 3) Superintendent Level** - If no settlement has been reached in Step 2 within the specified time limit, the employee and/or his/her designated Council representative may advance the grievance to Step 3 by submitting a copy of the written statement of grievance in appropriate form to the office of the superintendent within ten (10) calendar days of receipt of the written disposition of grievance given by the Step 2 administrator. After such submission, the superintendent or designee shall have ten (10) calendar days to attempt to resolve the grievance. Within that time the superintendent or his/her designee shall indicate his/her disposition of the grievance on the grievance form and shall furnish a copy thereof to the employee and to the Council. If in the resolution process a meeting is held with the grievant in attendance, a representative of the Council shall be given an opportunity to attend.

Section 16.2.3.1 If no settlement has been reached in Step 3, the grievance may be submitted to mediation within ten (10) calendar days of the superintendent's decision. The parties shall request a list of mediators from the Public Employment Relations Commission, select a mediator and schedule a mediation hearing. Any costs associated with the use of the mediator shall be borne equally by the Employer and the union. No recorder shall be utilized during mediation.

If the grievance is not resolved through mediation, the timelines to submit the grievance to arbitration shall be preserved.

Section 16.2.4 **(Step 4) Arbitration** - If no settlement has been reached in Step 3, the grievance may be submitted to arbitration within ten (10) calendar days of receipt of the superintendent's decision. The Employer and the Council shall immediately thereafter select an arbitrator to hear the dispute. If the Employer and the Council are not able to agree upon an arbitrator within ten (10) workdays after receipt by the Employer of the demand for arbitration, the parties may request a list of five (5) arbitrators from the Public Employee Relations Commission. After receipt of same the parties shall alternately strike the names of the arbitrators until only one (1) name remains, who shall, upon hearing the dispute, render a decision which shall be final and binding upon all parties.

Section 16.2.5 Nothing herein shall prevent an employee from seeking assistance from the Council or the Council from furnishing such assistance at any stage of the grievance procedure.

Section 16.2.6 The expenses of the arbitrator, the cost of any hearing room, unless such are paid by the state of Washington, shall be borne by the losing party. Either party desiring a shorthand reporter shall pay for same. Each party shall bear their own expenses for preparation and presentation of their case.

Section 16.2.7 The arbitrator shall have no power to alter, add to, subtract from, disregard or modify the terms of this Agreement. Upon request of either party, the merits of a grievance and the substantive and procedural arbitrability issues arising in connection with that grievance shall be consolidated for hearing before an arbitrator and such questions shall be ruled upon by the arbitrator prior to hearing the grievance.

- Section 16.3** **Grievance Requirements** - Grievance claims involving retroactive compensation shall be limited to no more than thirty (30) workdays prior to the written submission of the grievance to the Employer; however, such retroactivity shall be extended to a period equal to any statutory limitation that may be applicable.
- Section 16.3.1** In arriving at any disposition or settlement, neither party shall have the authority to alter this Agreement.
- Section 16.3.2** The Employer shall not discriminate against any individual employee or the Council for taking action under this article.
- Section 16.3.3** Discussion in the handling of grievances, formally or informally, shall take place whenever possible on school time.
- Section 16.3.4** This grievance procedure shall not apply to any grievance arising prior to its adoption by the parties.
- Section 16.3.5** The time limits provided in this article shall be strictly observed unless extended by written agreement of the parties. Failure of the grievant to proceed with the grievance within the times hereinbefore provided shall result in the dismissal of the grievance. Failure of the Employer to take the required action within the times provided shall entitle the grievance to proceed to the next step of the grievance procedure.

ARTICLE 17 SAVINGS CLAUSE

- Section 17.1** If any provision of this Agreement or the application of any such provision is held invalid, the remainder of this Agreement shall not be affected thereby.
- Section 17.2** Neither party shall be compelled to comply with any provision of this Agreement which conflicts with federal, state, county or city statutes or regulations.
- Section 17.3** In the event either Section 17.1 or 17.2 is determined to apply to any provision of this Agreement, such provision shall be renegotiated.

ARTICLE 18 WAIVER AND COMPLETE AGREEMENT

- Section 18.1** The parties acknowledge that during the negotiations resulting in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any and all subjects or matters not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement. The Council voluntarily and unqualifiedly waives the right, and agrees that the Employer shall not be obligated, to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. This Agreement constitutes the entire agreement between the parties and concludes collective bargaining for its term.

ARTICLE 19 CONTRACTING OUT

Section 19.1 With respect to contracting out bargaining unit work, RCW 28A.400.285 and any other applicable law shall apply. If a condition arises that necessitates contracting of work that is normally performed by the bargaining unit, the affected union shall be offered an opportunity to be involved in the planning process; provided, however, the Employer shall have the right to make the final decision regarding subcontracting.

The contracting out of work that does not fall under RCW 28A.400.285 and would not lead to a reduction in force will be communicated in writing to the union. Such identified work will be provided at a Labor-Management meeting in September of each school year and will be updated at future Labor-Management meetings, should additional contracted work be anticipated.

If, in order to secure funding for a specific project, the Employer is required to contract all or part of the work to be performed due to the limitations imposed by the funding agreement, such subcontracting shall not be considered a violation of the Agreement.

In the case of a circumstance which is beyond the control of the Employer at the time action is required and which could not reasonably have been foreseen or the Employer is not reasonably able to provide the necessary tools, personnel, or equipment to timely perform the work, the Employer shall be allowed to enter into subcontracting for this project and not be in violation of the Agreement.

ARTICLE 20 TERM

Section 20.1 This Agreement shall be in full force and effect from August 16, 2019 through August 15, 2022.

Section 20.2 Not less than sixty (60) days prior to August 16, 2021 the Employer and the Council shall meet for the purpose of negotiating amendments to any and all provisions contained within this Agreement.

Section 20.3 All provisions of this Agreement shall be applicable to the entire term of this Agreement.

Section 20.4 This Agreement may be reopened and modified at any time during its term upon mutual consent of the parties in writing.

Section A.1 **School Bus Drivers** - This section shall pertain to School Bus Drivers.

Section A.1.1 The District shall use its best efforts to find alternative bus routes during inclement weather which forces the closure of roads normally used. In the event of an unusual school closure due to inclement weather, plant in operation or the like, employees reporting to work shall receive a minimum of two (2) hours pay at their current hourly rate in the event of such a closure; provided, however, no employee shall be entitled to any such compensation in the event of direct contact or notification through announcements on one or more local radio station broadcasts at least forty-five (45) minutes prior to the beginning of shifts starting after six (6) am. For shifts starting at six (6) am or earlier the notification must be made at least one (1) hour prior to the beginning of the shift.

Section A.1.2 Shifts shall be established for bus drivers in relation to the routes and driving times necessary to fulfill tasks assigned by the transportation supervisors and dispatcher. All bus drivers shall receive in addition to actual hours of driving time one-half (1/2) hour per day (two and one-half (2-1/2) hours per week) for the purpose of pre-trip inspection, bus cleaning and bus refueling. Drivers must complete a pre-trip inspection prior to the beginning of their first route of the day, or prior to driving a bus that has not been inspected by another driver. Start time for A.M./P.M. and Midday Routes shall occur on the quarter hour. Absent mutual agreement with the driver, Transportation will not slide their shift schedule by more than forty-five (45) minutes on any given day. Effective November 15th of each year, absent mutual agreement, shift schedules will not slide by more than thirty (30) minutes on any given day. All bus drivers who drive their regular assigned route shall be paid a minimum of two (2) hours for the a.m. route and a minimum of two (2) hours for the p.m. route, except Head Start, Ready Start, Pre-school, etc., which are four (4) day bids (a.m. p.m. with an assigned midday route). In addition, a regular assigned route may consist of any combination of two (2) or more of the following: a.m., p.m., midday or after-school activity by mutual written agreement between the Employer and the Union. All bus drivers who drive a mutually agreed, combination route shall be paid a minimum of four (4) hours. Assignments (hours and shifts) that an employee has bid for on bid day or has bid for on a later date shall be guaranteed only in those instances where the Employer

has erred in estimating the actual time assigned to a particular route. Such guarantee shall continue until the Employer has filled in the lost miscalculated time. The District will backfill lost time with other driving and or driver related work. Irrespective of seniority, additions will be added provided that such additional time does not incur more than fifteen (15) minutes of additional work should the time have been assigned to another driver. It is understood between the Union and the Employer that routes and/or route times may be subject to change pursuant to the terms of this Agreement based on changes in student enrollment and/or ridership. Should a driver request additional time be added to a route, the Employer will conduct a review of the route, which may include a drive-along in addition to reviewing Zonar records and/or any other pertinent data before determining if additional time is warranted.

Section A.1.2.1 In the case where a portion of a driver's route has been canceled causing a reduction in time, written notification for a time change will be provided one (1) week prior to the change.

Section A.1.2.2 Drivers who are not notified within the above time limits shall be paid for their normal route hours. In such case, the District may require that the driver do other job duties to fill up their time.

Section A.1.2.3 The Employer may assign other driving or driver related duties to drivers to fill up their minimum as provided in Sections A.1.2, A.1.2.1 and A.1.2.2.

Section A.1.2.4 Additions shall be made to routes based on the following:

- District will backfill for any lost time provided that such additional time does not incur more than fifteen (15) minutes of additional time should the time have been assigned to another driver.
- Availability
- Look to see if an addition can be added to existing routes without paying additional time
- Identify drivers where it would take the least additional time
- Offered by seniority. If left unbid, it shall be assigned to the least senior driver.

Situations in which two or more drivers meet the deciding criteria identified above equally, the addition shall be offered first to the senior driver.

If a driver has concerns regarding route changes or the time allotted to drive a route, they shall notify dispatch and a review of the route will be conducted. If it becomes necessary, a check ride will be conducted.

Section A.1.2.5 The dispatcher shall make every effort to reassign portions of routes that have been added after the original bid, to other routes that have been reduced from their original bid.

Section A.1.3 Drivers assigned a midday, extended day, and/or extra board run shall be compensated a minimum of two (2) hours for such run provided such run does not immediately precede or immediately follow a regular run. "Immediately precede or immediately follow" shall mean thirty (30) minutes or less. Should the midday, extended day and/or extra board run involve less than two (2) hours, the Employer may assign additional driving or driver related duties for the amount of time difference between the time worked and the two (2) hour guarantee.

- Section A.1.4** All trips on Saturdays and Sundays shall be compensated at one and one-half (1-1/2) times the driver's regular straight time hourly rate of pay for driving and compensated at one and one-half (1-1/2) times the base rate of standby rate while on standby. The term "base rate of pay for driving" as used in this section shall mean the rate of pay for "Bus Driver" as is set forth within Section A.1.19.
- Section A.1.5** During overnight trips drivers will normally be considered as "defined out of service hours" between the hours of 4 p.m. and 8 a.m. unless the regular posted trip schedule includes driving after 4 p.m. or before 8 a.m. Out of service hours will be defined on the trip posting. If a driver is needed to drive or is requested to assist staff and/or students during the defined out of service hours, such service shall be guaranteed for one (1) hour of compensation with extra time beyond one (1) hour paid in fifteen (15) minute increments. If the driver is duty free during these hours, no pay shall be administered.
- Section A.1.6** **Assignment Of Extra Transportation Trips** - All extra transportation trips (excluding bidding regular routes) shall be offered to all drivers according to the seniority provisions contained herein; provided however, no driver shall be eligible for such trip, should the trip require the employee to work overtime (in excess of forty [40] hours in any work week [Monday through Friday]), or if such trip would preempt a driver's regular daily assigned route(s). In such cases the next eligible senior driver shall be offered the trip. Drivers' eligibility to accept a trip will be determined based on their ability to report to the designated trip starting location by the "arrive at school" time as posted on the bid form (e.g., drivers with four [4] hours of eligible time may accept a four and one-half [4.5] hour trip as long as they are ending their assigned route/trip at a location that permits them to meet the "arrive at school" time as identified on the bid form).
- Section A.1.6.1** Field trips and/or extra transportation trips as identified within Section A.1.6 shall be administered in accordance with the provisions of Section A.1.3.
- Section A.1.7** Trips shall be posted as soon as practicable to allow for driver planning. Trips must receive the final approval by the supervisor of transportation or his/her designee before they can be taken. Once the trip sheet is posted and final approval is given, there shall be no changes in trip driver assignments as a result of trip cancellation(s) when such cancellation(s) occur within twenty-four (24) hours prior to departure.
- Section A.1.8** **Driver Dispatched For Trip Which Doesn't Occur And Driver Misses Bidding On Subsequent Trip** - In the event a driver is dispatched for an activity or field trip which has been canceled or is a "no show" by the school and another trip would have been available for that driver, then the Employer shall pay the driver the equivalent number of hours the trip would have required up to one hundred dollars (\$100).
- Exceptions shall be: Athletic events called for weather.
- Section A.1.9** **Dispatch Office Errors By Not Posting Available Trip And Subsequently Assigns Trip To Other Than Most Senior Available Driver** - When a trip is timely requested by a school, but the dispatch office fails to post it and the most senior available driver is not offered the trip and would have taken it, such driver shall be paid in accordance with Section A.1.8. When a trip cannot be posted timely, then the dispatcher may assign the trip to the first available driver by seniority.

Section A.1.10 **Assignment of Routes** - When a new route or an existing route (AM, PM, or Mid-day) becomes available, the District may assign a substitute or rover to the AM or PM route for up to ten (10) workdays. After ten (10) workdays, the route shall be posted and all drivers may bid in accordance with their rights under this Agreement.

The posting must remain up for three (3) workdays. The posting shall indicate if the route is permanent or temporary. If the route is temporary, the posting shall indicate the approximate duration when possible. The District shall not assign a regular driver to a substitute position unless it is an emergency situation on a day-to-day basis. If the District determines that a new or existing route will not be posted but absorbed into other existing route(s), it shall be done within the timelines set forth in this Section and a permanent time change shall be effective on the date of the assignment. In the event a route is not posted for bid, but instead is absorbed, the work shall be added to existing route(s) pursuant to Section A.1.2.4. Any new or existing route that is not absorbed into existing routes shall be posted on the first Thursday after it becomes available and assigned by 2:00 p.m. the following Tuesday. In the event that the Thursday is not a workday, the posting will take place the first workday following the Thursday and remain posted for three (3) workdays before assignments are made. If a route is posted for bid but not filled it shall remain posted until such time as it is filled.

Section A.1.11 **Assignment of Mid-days** – Mid-day routes shall be posted outside the dispatch office on a daily basis. The routes are determined by seniority and available hours. Mid-day assignments are made by 8:30 am. Drivers may indicate their preference for mid-day routes on the tablet provided next to the bid sheet. If no preference is listed the assignment will be made based on seniority and route hours. Routes posted after the assignment of work will be awarded to the next available senior driver. If a driver has a mid-day canceled, the impacted driver may sign up for available mid-days or other work. If such driver fails to sign for work their pay shall be deducted for their canceled mid-day.

Section A.1.12 The District shall provide liability insurance for school bus drivers when they are performing authorized duties; provided, however, there shall be no obligation to assume any responsibility held against the employee when damages are due to the employee's negligence, violation of law or criminal act.

Section A.1.13 All school bus drivers shall be paid their appropriate straight-time or overtime hourly rate of pay for state-required schooling.

Section A.1.14 Notwithstanding any provisions to the contrary as may be contained within Sections 5.3 and/or 5.4 of the Agreement, all bidding and assignment of work for Bus Drivers and Substitute Bus Drivers shall be determined by the provisions contained in Appendix A.

Section A.1.15 The Employer shall provide to each newly hired bus driver District- directed, work and department orientation which shall be compensated for at the employee's regular hourly rate of pay prior to independently driving a route or run with students on the bus.

Section A.1.16 **Tardiness** - Notwithstanding any provision to the contrary as may be contained within Section 15.1, the following disciplinary policy regarding tardiness for school bus drivers shall apply.

TARDINESS

Tardiness shall be defined as reporting to work eight (8) or more minutes after clock in time.

For each three (3) occurrences of tardiness in a school year shall constitute grounds for the issuance of progressive discipline as defined in Article 15.

Section A.1.16.2 Attendance Incentive - It is the desire of both the Employer and the Union to provide consistent quality bus service for all students. It is also a mutual desire to have qualified permanent District bus drivers available to drive all identified bus routes. Based on this mutual interest, the parties agree to this Attendance Incentive program during the life of the Agreement:

Perfect School Year Attendance: Drivers who maintain exceptional attendance during the school year will receive a monetary bonus as outlined below. In order to qualify, a driver must be employed as a permanent driver on the first day of school. The only exceptions for this incentive shall be absences occurring through Discretionary, Bereavement, Military and Jury Duty Leave.

For bus drivers who work 180 days per year, the following compensation shall apply:

Days missed	Amount
0	\$1,400
1	\$1,200
2	\$1,000
3	\$800

For bus drivers who work 128 days per year, the following compensation shall apply:

Days missed	Amount
0	\$1,200
1	\$1,000
2	\$800

In order to be compensated, drivers must be employed on the last day of school. All incentives earned shall be paid on the July pay warrant.

The District shall monitor and assess the effectiveness of this program in lowering absenteeism throughout the life of this Agreement. The District shall provide to the Union annual information on employees earning attendance incentives.

Section A.1.17 The Employer shall administer the provisions of the "Handbook for Bus Drivers" in a fair, reasonable and uniform fashion. Any revisions of the Driver Handbook are to be reviewed by the Union prior to implementation. In the event of conflicts between the collective bargaining agreement and the Handbook, the contract shall prevail. All revisions shall be shared in writing with bus drivers.

Section A.1.18 Effective August 16, 2019, the hourly rates of pay for classifications of work covered by this Section (as indicated below) have been increased by sixteen percent (16%) inclusive of state IPD and shall be as follows:

Section A.1.18.2 Effective August 16, 2021 the hourly rates of pay for the 2020-2021 school year for the above identified classifications will be increased by the state IPD or two percent (2%) whichever is greater.

Section A.1.18.3 Bus drivers shall receive the hourly rate of pay corresponding to their calendar years of service as set forth above. Drivers certified by OSPI as authorized school bus drivers at the time of their initial hire and who were employed in Washington State in such capacity within the six (6) months immediately preceding their employment with the District shall be eligible to use such previous experience in determining placement on the salary schedule.

*Regular substitute drivers who drive a bus on Saturday or Sunday shall be paid time and one-half their regular rate of pay.

Section A.1.18.4 Bus Driver Rovers - The District shall determine the number of rovers that are needed each year. Rover positions shall be posted in the August bid and shall contain a six (6) hour daily shift guarantee. To be considered for a rover position a driver must:

- have completed four (4) years of employment with the District
- have no discipline within the past two (2) years (attendance and student management related and no more than one (1) preventable accident)
- pass a timed mapping test

Substitutes who work seventy (70) hours a month shall receive credit for those months of service for the purpose of pay when they become a regular driver.

Section A.1.20 The Employer shall pay the costs associated with renewal of commercial driving licenses. The Employer provides Bus Drivers with a paid recertification training in order to maintain their First Aid/CPR certification which will be included in the annual in-service in August. Drivers who elect to attend such training/recertification outside of the District may do so on their own time and their own expense, if any. The District will pay costs associated with any other certificates required by law that are needed for the employee to perform his/her work duties.

Section A.1.21 The Employer shall not increase its use of Metro buses to transport students currently transported by District employees during the life of this Agreement.

The Employer shall meet with the union to negotiate possible alternatives before the Employer utilizes Metro or any other outside entity in the future.

The Employer shall provide the necessary documentation (i.e. hours of work, routes, etc.) to validate its position that no current regular employee will lose time if the Employer should utilize any other outside entity to transport any student currently being transported by District employees.

Section A.1.22 **Extracurricular Student Transportation** – Schools may transport up to seven (7) student passengers in vans assigned to the high schools.
